

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION  
BY SKYCITY AUCKLAND LIMITED FOR APPROVAL OF  
NEW SIGNAGE AT THE AUCKLAND CASINO**

**Date of Decision:** 14 December 2012

1. On 14 December 2012, SKYCITY Auckland Limited ("**SCAL**") applied, pursuant to condition 6 of its venue licence, for approval to add new signage to the exterior of the Sky Tower.

2. Condition 6 provides as follows:

6. The Licence Holder must obtain the approval of the Commission prior to:

(a) ...

(b) ...

(c) the addition or alteration of signage relating to the casino business on any building, road or structure within the block of land bounded by Hobson Street, Wellesley Street West, Federal Street and Victoria Street West, including the Casino Venue, Sky Tower, car park, bus terminal and walkways between the casino and the Sky Tower and the convention centre.

The process by which the Licence Holder may obtain approval for construction or design changes to Levels 2, 3, 5 and 6 of the casino venue, including the Gambling Area (paragraph (a) above) is set out in condition 7. The Commission will determine any application for approval under 6(b). The Executive Director may approve the addition or alteration of signage relating to the casino business on any building, road or structure within the casino block (paragraph (c) above) if he/she is satisfied the proposed changes will have no potentially adverse effects. If he/she is not so satisfied, the proposed changes must be referred to the Commission for a decision on approval.

7. The proposed signage will have no potentially adverse effects and is approved by the Executive Director under delegated authority pursuant to condition 6 SCAL's venue licence. A copy of the signage is **attached**.
