

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION  
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF  
A NEW FLOOR PLAN FOR THE AUCKLAND CASINO**

**Date of Decision:** 5 April 2013

1. On 3 April 2013, SKYCITY Casino Management Limited ("SCML") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of a new floor plan.
2. Condition 11 provides as follows:
  11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.
3. SCML submitted as follows:
  - (a) It is currently reliant on floor plan 2013 L2 001D. It seeks approval for plan 2013 L2 001E.
  - (b) In preparation for the work it will be carrying out on the smoking deck on Level 2 (to convert it to an outdoor gambling area), on or around 15 April it will relocate 24 gaming machines from one part of the casino's Gambling Area to another. Following this change it will rely on floor plan 2013 L2 001E. Once reliant on this plan, plan 2013 L2 001D will be redundant.
6. The proposal raises no issues of regulatory concern for the Commission. Accordingly the proposed new floor plan is approved by a Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence for the Auckland casino.

7. Plan 2013 L2 001E is attached. Once SCML is reliant on 2013 L2 001E, plan 2013 L2 001D will cease to be valid.
