

**UNDER DELEGATED AUTHORITY ON AN APPLICATION  
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF  
NEW FLOOR PLANS FOR THE AUCKLAND CASINO**

**Date of Decision:** 17 May 2013

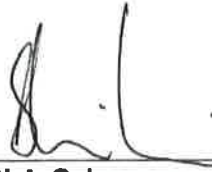

1. On 14 May 2013, SKYCITY Casino Management Limited ("SCML") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of a new floor plan; 2013 L2 001G.
2. Condition 11 provides as follows:
  11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.
3. SCML submitted as follows:
  - (a) It is currently reliant on plan L2013 L2 001E. It also has a further approved plan, 2013 L2 001F, which involves the removal of six EGMS from the Main Gaming Floor in the near future.
  - (b) Developments associated with the construction of the outdoor gambling area on level 2 means that it needs to make temporary changes to the floor plan in and around this area. This involves the removal of 10 machines from one part of the casino and the installation of six machines in another part, meaning it will be operating below its maximum level.
  - (c) It therefore seeks approval for a new plan (2013 L2 001G) to reflect the proposed changes.
6. The proposal raises no issues of regulatory concern for the Commission. Accordingly floor plan 2013 L2 001G is approved by a Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence for the Auckland casino.

7. Plans floor plans 2013 L2 001G is **attached**. Once SCML is reliant on 2013 L2 001G, plans 2013 L2 001E and 2013 L2 001F will cease to be valid.
