

**UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF
NEW FLOOR PLANS FOR THE AUCKLAND CASINO**

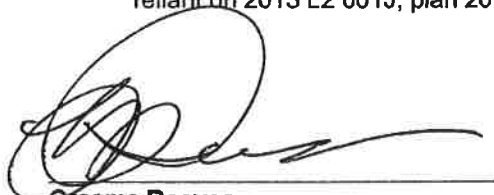

Date of Decision: 27 May 2013

1. On 23 May 2013, SKYCITY Casino Management Limited ("SCML") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of three new floor plans; 2013 L2 001H, 2013 L2 001I, and 2013 L2 001J.
2. Condition 11 provides as follows:
 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.
3. SCML submitted as follows:
 - (a) It is currently transitioning to floor plan 2013 L2 001G. There are three further phases in the ongoing construction work on the outdoor Gambling Area on level 2, involving changes to the floor before it is reliant on the plan featuring gaming machines in the new outdoor Gambling Area.
 - (b) In the case of plan 2013 L2 001H, it wants to remove 4 machines and install 6. This will leave it 2 machines short of capacity.
 - (c) In the case of plan 2013 L2 001I, it wants to remove 6 machines which will leave it 8 machines short of capacity.
 - (d) In the case of plan 2013 L2 001J, it wants to remove 13 machines and install 21 machines. This will bring it back to full capacity.
 - (e) The new floor plans 2013 L2 001H, 2013 L2 001I and 2013 L2 001J reflect the proposed changes.
6. The proposal raises no issues of regulatory concern for the Commission. Accordingly floor plans 2013 L2 001H, 2013 L2 001I and 2013 L2 001J are approved by the Chief

Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence for the Auckland casino.

7. Plans floor plans 2013 L2 001H, 2013 L2 001I and 2013 L2 001J are **attached**. Once SCML is reliant on 2013 L2 001H, plan 2013 L2 001G will cease to be valid. Once SCML is reliant on 2013 L2 001I, plan 2013 L2 001H will cease to be valid. Once SCML is reliant on 2013 L2 001J, plan 2013 L2 001I will cease to be valid.
