

**DECISION UNDER DELEGATED AUTHORITY ON APPLICATIONS
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL
OF TWO NEW SETS OF FLOOR PLANS FOR THE AUCKLAND CASINO**

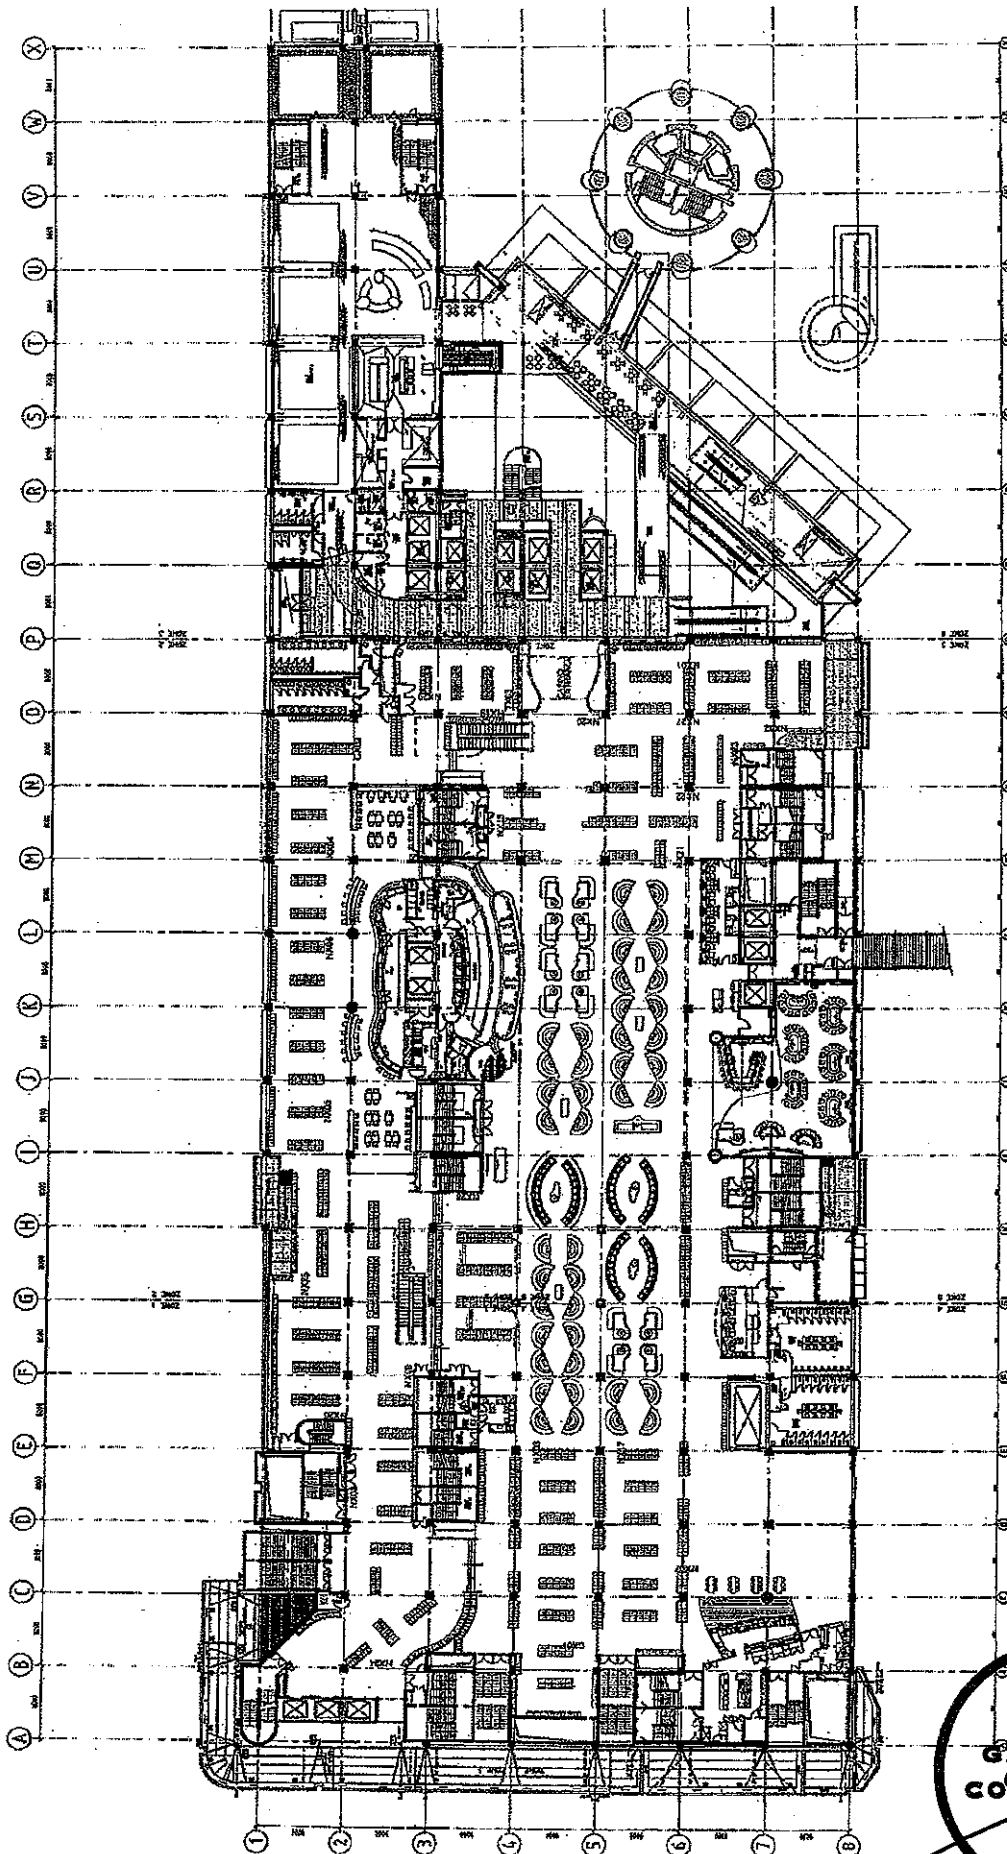

Date of Decision: 23 September 2010

1. On 17 September 2010, SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of two new sets of floor plans, "October 2010" and "October 2010 Version 2".
2. The "October 2010" floor plans involve a change to the table and machine configuration on level 3 of the casino, involving a reduction in the number of Poker tables from 18 to 12, the relocation of 12 machines from one area of the floor to another, and the installation of 6 Black Jack tables in the area previously housing the Poker tables and gaming machines. No changes are proposed to level 2. These changes are shown in plan "October 2010".
3. The second group of changes is also scheduled for October 2010. These changes involve the relocation of 14 gaming machines from levels 2 and 3, and a reconfiguration of 20 machines on level 2. These changes are shown in plan "October 2010 Version 2".
4. The application raises no issues the Commission needs to consider. Accordingly the application is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence.
5. Floor plan "Sept 2010" ceases to be valid once SCML is fully reliant on plan "October 2010". Floor plan "October 2010" ceases to be valid once SCML is fully reliant on plan "October 2010 Version 2".
6. Floor plans "October 2010" and "October 2010 Version 2" are **attached**.
