

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION  
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL  
OF A NEW FLOOR PLAN FOR THE AUCKLAND CASINO**

Date of Decision: 24<sup>th</sup> March 2011

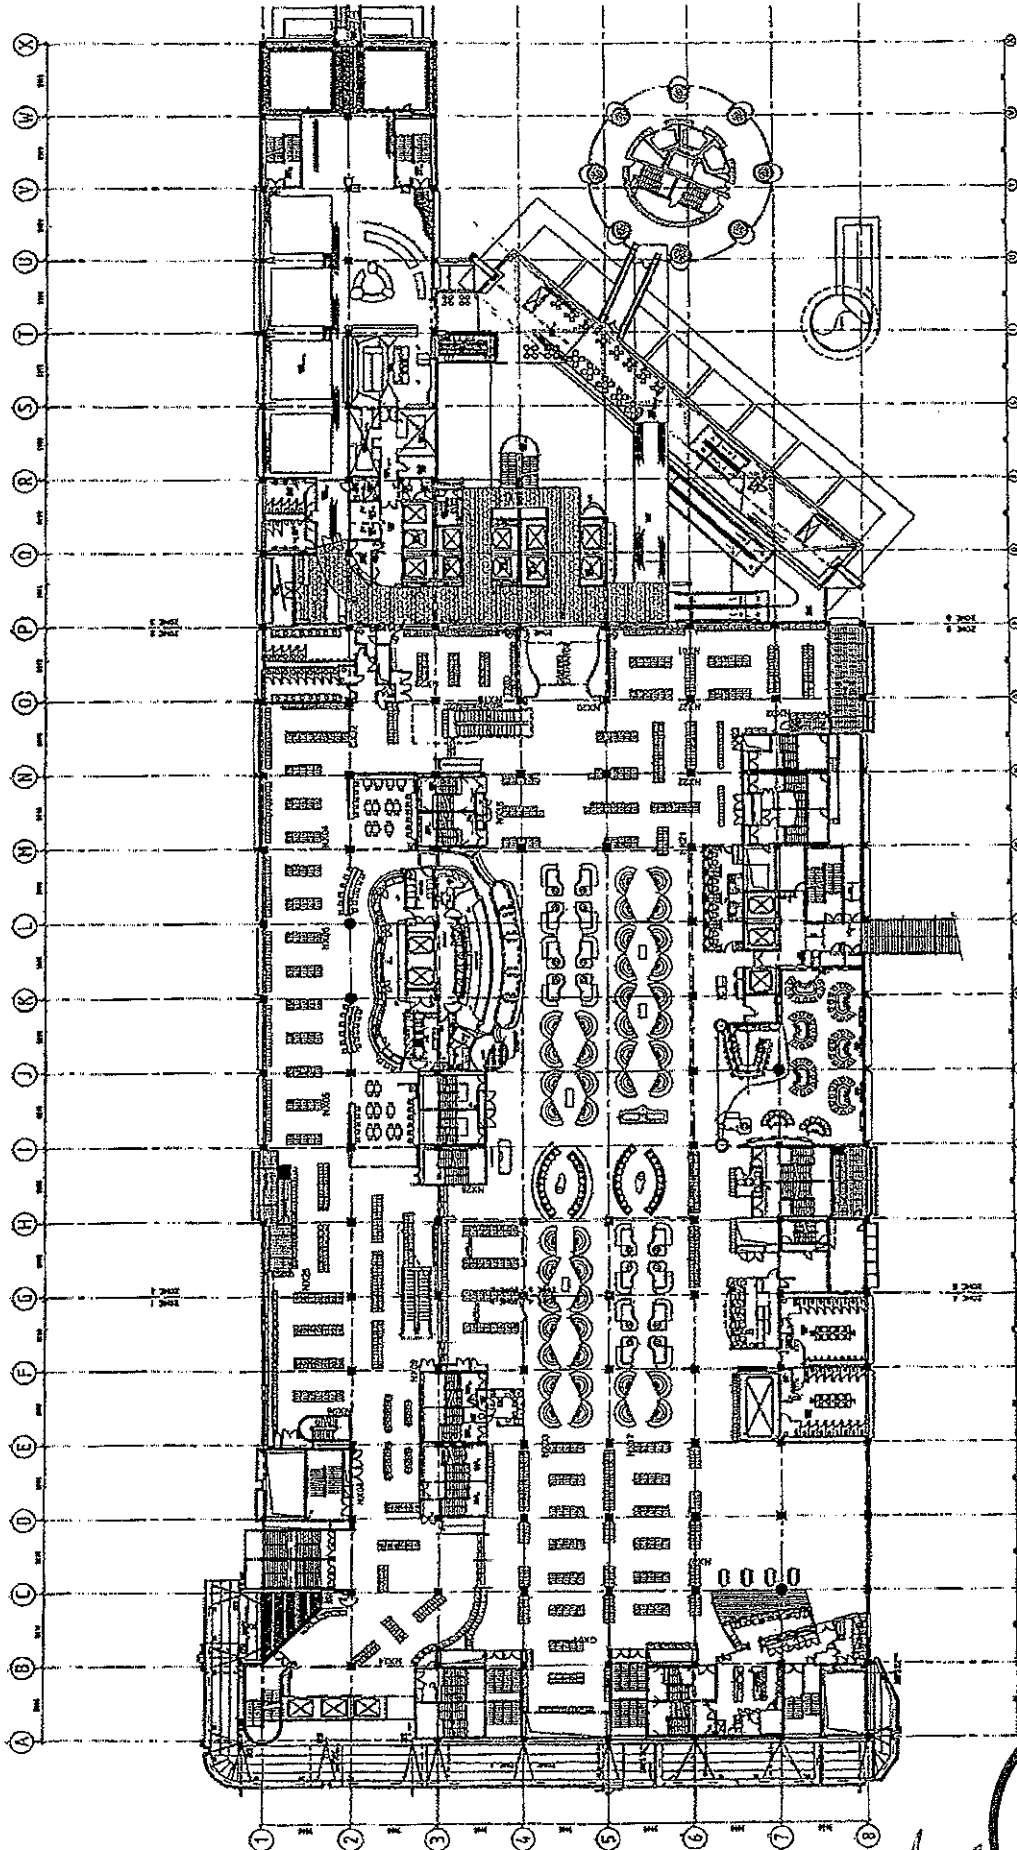

- 1 On 23 March 2011, SKYCITY Casino Management Limited ("SCML") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of a new temporary floor plan, "May 2011"
- 2 SCML is currently reliant on "January 2011 Option 1" and was to transition to plan "February 2011" once construction commenced on the new Fortuna Restaurant on Level 3. However the proposed transition to "February 2011" is no longer workable as the Fortuna construction is now to be split into two stages
- 3 Stage 1 of the Fortuna construction is now scheduled for May 2011, so gaming machines from the affected area will need to be relocated to other parts of level 3, as set out in "May 2011"
- 4 The application raises no issues the Commission needs to consider. Accordingly the application is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority, pursuant to condition 11 of SCML's operator's licence. Floor plan "May 2011" is **attached**
- 5 "January 2011 Option 1" ceases to be valid once SCML is fully reliant on "May 2011" "February 2011" also ceases to be valid
