

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL
OF A NEW FLOOR PLAN FOR THE AUCKLAND CASINO**

Date of Decision: 3rd May 2011

1. On 2 May 2011, SKYCITY Casino Management Limited ("SCML") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of a new temporary floor plan, "May 2011 Ver. 3".
2. SCML is currently reliant on "May 2011 Ver. 2" but wants to remove 19 gaming machines from level 2 in readiness for the removal of a wall which will ultimately provide access to the new Diamond Room. SCML is not proposing immediately to relocate these machines to another area.
3. The application raises no issues the Commission needs to consider. Accordingly the application is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority, pursuant to condition 11 of SCML's operator's licence. Floor plan "May 2011 Ver. 3" (which reflects the removal of the 19 machines) is **attached**.
4. "May 2011 Ver. 2" ceases to be valid once SCML is fully reliant on "May 2011 Ver. 3".
