

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION  
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF  
FLOOR PLANS FOR THE AUCKLAND CASINO**

**Date of Decision:** 17<sup>th</sup> August 2011

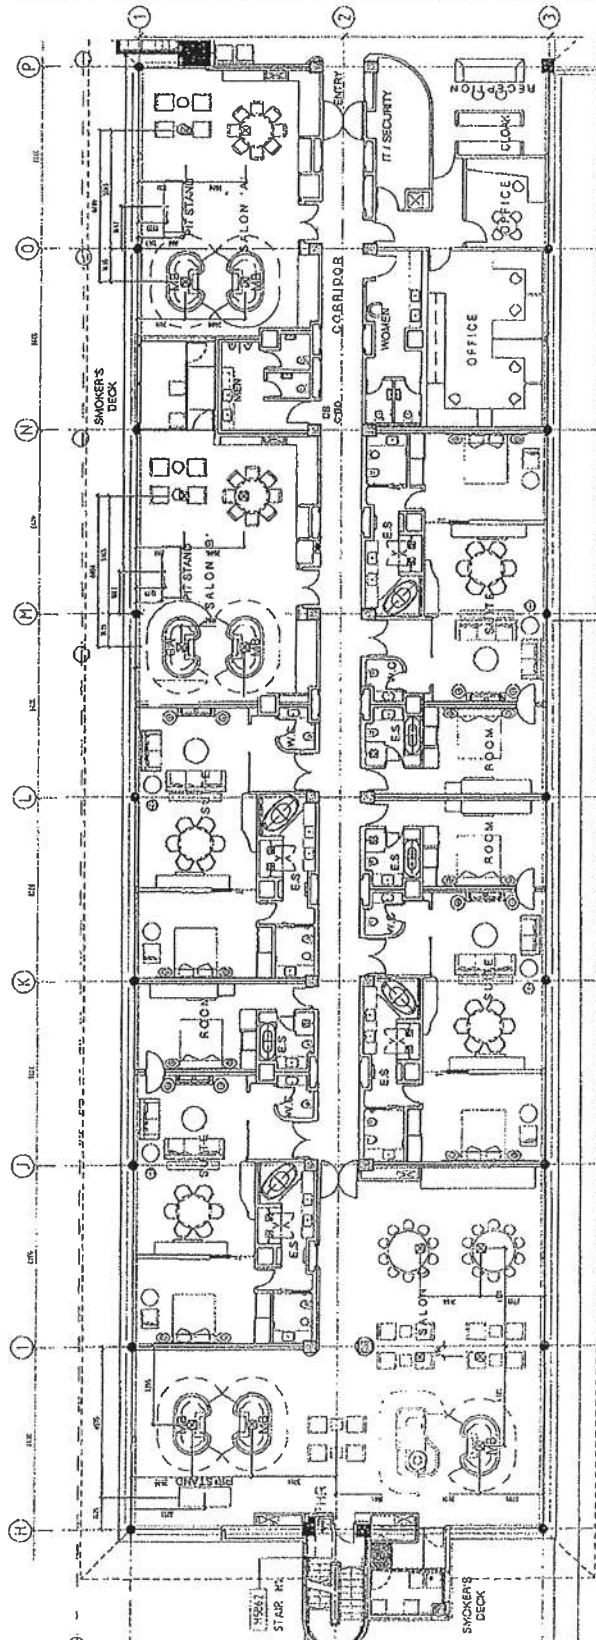

1. On 12 August 2011, SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval:
  - (i) of floor plan "Temporary July 2011(viii)"; and
  - (ii) to deploy approved plans "Temporary July 2011(i)-(viii)" and "August 2011" on the south side of level 5 of the Auckland casino, in that area.
2. The Commission has already approved plans "July 2011 Temporary", "Temporary July 2011(i)-(vii)" and "August 2011". The approval for "August 2011" provided that once SCML is fully reliant on "August 2011" all other approved plans cease to be valid. SCML wants to maintain plans "Temporary July 2011(i)-(vii)", the approved floor plan for the south side of level 5 from "July 2011 Temporary" and have the ability to interchange these plans with the plan for the south side of level 5 in "August 2011".
3. The application raises no issues the Commission needs to consider. Accordingly the application is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence. For ease of reference, the plan for the south side of level 5 in "July 2011 Temporary" will be renamed "Temporary July 2011(viii)", and the plan for the south side of level 5 in "August 2011" will be renamed "Temporary July 2011(ix)".
4. Plans "Temp. July 2011(i)-(ix)" are **attached**.
