

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION  
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF  
A NEW FLOOR PLAN FOR THE AUCKLAND CASINO**

**Date of Decision:** 24<sup>th</sup> August 2011

1. On 22 August 2011, SKYCITY Casino Management Limited ("SCML") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of a new floor plan, "August 2011 Version 2A". SCML is currently reliant on floor plan "August 2011 Version 2".
2. On 30 August 2011, SCML will open a new VIP area on the north side of level 5 of the casino, known as "Eight". A number of guests will be invited to the opening, which commences at 7pm. Following the opening, SCML will close 11 of the 15 gaming tables in the Pacific Room, but will continue to operate the four remaining Baccarat tables until 8pm, at which time the Pacific Room guests will be required to vacate the Room. The function in Eight concludes at 8pm, at which time it will be available to all Pacific Room guests.
3. On 30 August 2011 Salon 80, also on the north side of level 5, will be available for play. Salon 80 houses four Baccarat tables.
4. Plan "August 2011 Version 2A" pairs the four Baccarat tables in "Salon 80" with the four "substitute" baccarat tables in the Pacific Room.
5. The application raises no issues the Commission needs to consider. Accordingly the new plan is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence.
6. Plan "August 2011 Version 2A" (**attached**) takes effect at 7pm on 30 August 2011. Once SCML is fully reliant on "August 2011 Version 2A", it replaces plan "August 2011 Version 2". Once SCML is fully reliant on "August 2011 Version 3", it replaces plan "August 2011 Version 2A."
