**Date of Decision:** 13<sup>th</sup> September 2011

1. On 9 September 2011, SKYCITY Auckland Limited ("**SCAL**") applied, pursuant to conditions 6(a) and 7 of SCAL's venue licence, for approval of construction and design changes for four temporary bars and a TAB facility. The additional facilities are to cater for an anticipated increase in demand during the Rugby World Cup.
2. Three of the temporary bars are in the Gambling Area on level 2 (at Sammy's Place, the Money Wheel, and at the southern end of the Deli Restaurant) with the fourth bar being in the Gambling Area on level 3 outside the Fortuna Restaurant.
3. The TAB facility is at Sammy's Place.
4. None of the facilities will have any adverse impacts on the matters specified in condition 7 of SCAL's venue licence.
5. The application raises no issues the Commission needs to consider. Accordingly the construction and design changes are approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to conditions 6 and 7 of SCAL's venue licence.
6. SCAL is to contact the Commission at the conclusion of the Rugby World Cup to confirm that the four temporary bars have been removed.
