

**DECISION UNDER DELEGATED AUTHORITY ON APPLICATIONS
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL
TO RE-LABEL ITS APPROVED PLANS FOR THE AUCKLAND CASINO, AND
FOR APPROVAL OF A NEW FLOOR PLAN FOR LEVEL 2**

Date of Decision: 11th October 2011

1. On 7 October 2011, SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval to re-label its existing approved floor plans (in order to provide greater clarity) and for approval of a new floor plan for level 2.
2. SCML already has approval for a number of plans for the Auckland casino ("August 2011 Version 3", "August 2011 Version 3A" for levels 2, 3 and the north side of level 5, and plans "Temporary July 2011 (i)-(x)" for the south side of level 5). These plans would be renamed as: 2011 L2 001, 2011 L3 001, 2011 L3 002, 2011 L5N 001, 2011 L5N 002 and 2011 L5S 001-010 (Temporary).
3. As the application raises no issues the Commission needs to consider, the relabeling of approved plans is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority, pursuant to condition 11 of SCML's operator's licence.
4. Plan "2011 L3 001" will become redundant once SCML is reliant on plan "2011 L3 002".
5. SCML also seeks approval of a new plan for level 2, "2011 L2 002", in order to install 64 gaming machines into the Diamond Room, to remove 65 gaming machines from the main gaming floor and to relocate one machine on the main gaming floor.
6. The application raises no issues the Commission needs to consider. Accordingly plan "2011 L2 002" is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority, pursuant to condition 11 of SCML's operator's licence.
7. Plan "2011 L2 001" will become redundant once SCML is reliant on plan "2011 L2 002".
8. Plans "2011 L2 001", "2011 L2 002", "2011 L3 001", "2011 L3 002", "2011 L5N 001", "2011 L5N 002" and "2011 L5S 001-010 (Temporary)" are **attached**.
