

**DECISION UNDER DELEGATED AUTHORITY ON APPLICATIONS
BY SKYCITY AUCKLAND LIMITED AND SKYCITY CASINO MANAGEMENT LIMITED
FOR APPROVAL OF CONSTRUCTION AND DESIGN CHANGES AND
TWO NEW FLOOR PLANS FOR THE AUCKLAND CASINO**

Date of Decision: 21st February 2012

1. On 16 February 2012, SKYCITY Auckland Limited ("**SCAL**") and SKYCITY Casino Management Limited ("**SCML**") applied:
 - (a) for approval, pursuant to conditions 6 and 7 of SCAL's venue licence, to construct a new loyalty station (and deconstruct an existing loyalty station) on level 2 of the Auckland casino; and
 - (b) for approval, pursuant to condition 11 of SCML's operator's licence for the Auckland casino, for two new floor plans, "2012 L2 001" and "2012 L2 002".
2. The location of the new loyalty station currently houses 45 gaming machines. These will be removed to accommodate the construction of the new facility.
3. They want to use the existing loyalty station for a short period after the new station is opened, but ultimately they will disestablish it, with the space used to accommodate the abovementioned 45 gaming machines.
4. The removal of the gaming machines requires a change to the approved floor layouts. They are currently reliant on floor plan "2011 L2 003". A further plan "2011 L2 004" has been approved but has yet to be implemented. They seek approval for two further plans, "2012 L2 001" and "2012 L2 002". Plan "2012 L2 001" is the same as "2011 L2 003", less the 45 machines. Plan "2012 L2 002" is the same as plan "2011 L2 004", less the 45 machines.
5. The proposals raise no issues of regulatory concern for the Commission. Accordingly the construction and design changes are approved by the Executive Director under delegated authority pursuant to conditions 6 and 7 of SCAL's venue licence. The proposed new floor plans are approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence. Plans "2012 L2 001" and "2012 L2 002" are **attached**.
6. Once SCML is reliant on plan "2012 L2 001", plan "2011 L2 003" ceases to be valid. Once SCML is reliant on plan "2012 L2 002", plan "2011 L2 004" ceases to be valid.
