

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY SKYCITY CASINO MANAGEMENT LIMITED
FOR APPROVAL OF A NEW FLOOR PLAN FOR THE HAMILTON CASINO**

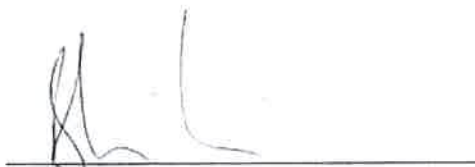

Date of Decision: 19th June 2012

1. On 5 June 2012, SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to conditions 11 and 12 of SCML's operator's licence for the Hamilton casino, for approval of a new floor plan, "June 2012".
2. SCML wants to move the Electronic Roulette game and terminals to another part of the gaming floor and reconfigure its two main pits. There is no change to the number of tables or electronic roulette terminals, and there are no implications for the game mix. SCML stated that any necessary adjustments to the location of cameras will be undertaken in association with the table moves to ensure compliance with the Surveillance Standard.
3. The proposal raises no issues of regulatory concern for the Commission. Accordingly the proposed new floor plan is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to conditions 11 and 12 of SCML's operator's licence. Plan "June 2012" is **attached**.
4. Once SCML is reliant on plan "June 2012" plan "March 2011" will cease to be valid.
