

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY SKYCITY CASINO MANAGEMENT LIMITED
FOR APPROVAL OF A NEW FLOOR PLAN FOR THE HAMILTON CASINO**

Date of Decision: 13th July 2012

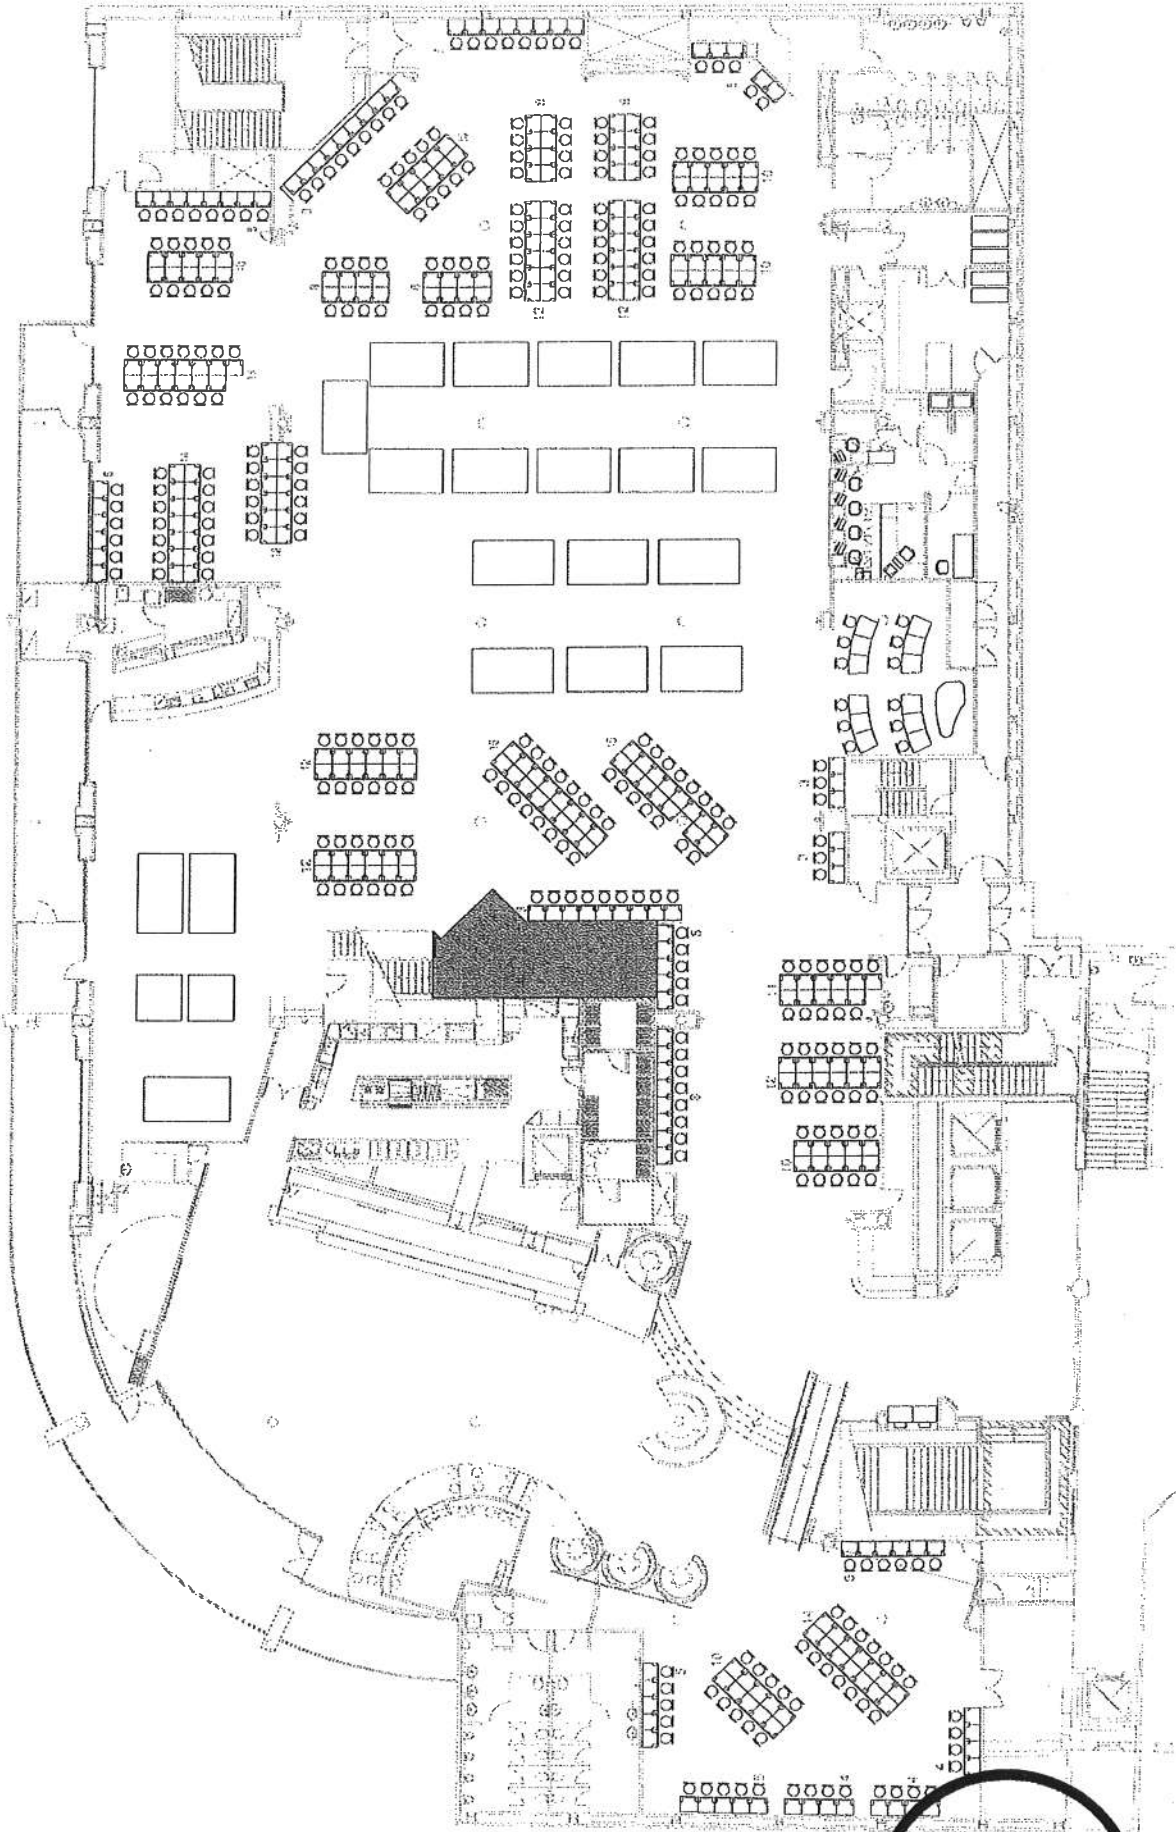

1. On 10 July 2012, SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to conditions 11 and 12 of SCML's operator's licence for the Hamilton casino, for approval of a new floor plan, "July 2012".
2. SCML wants to reposition the Electronic Roulette terminals from three rows of four terminals, to two rows of six terminals. There is no change to the number of terminals, and there are no implications for the game mix.
3. The proposal raises no issues of regulatory concern for the Commission. Accordingly the proposed new floor plan is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to conditions 11 and 12 of SCML's operator's licence. Plan "July 2012" is **attached**.
4. Once SCML is reliant on plan "July 2012" plan "June 2011" will cease to be valid.
5. SCML is to make any necessary adjustments to the location of cameras to ensure compliance with the Surveillance Standard.
