Date of Application: 29 May 2008

Date of Decision: 13 June 2008

Date of Notification
of Decision: 16 June 2008

DECISION
ON APPLICATION BY SKYCITY CASINO MANAGEMENT LIMITED
FOR APPROVAL OF A NEW FLOOR PLAN FOR THE AUCKLAND CASINO

Application

1. SKYCITY Casino Management Limited ("**SCML**") applied to the Gambling Commission (the "**Commission**") for approval, under condition 11 of its Auckland operator's licence, of a new floor plan, "June 2008".

Licence condition

2. The relevant licence condition is as follows:

SCML operator's licence (Auckland)

11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain the approval of the Commission for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for the consideration of the Commission. Any change must comply with the Surveillance Standard.

Submissions by SCML

3. SCML stated that it is presently reliant on floor plan "April 2008", and wants to modify that floor plan by removing four gaming machines from the VIP Platinum Room and relocating them elsewhere in the casino.

4. SCML submitted that:
- (a) the proposal will decrease the gaming machine density in the VIP Platinum Room;
 - (b) the repositioned gaming machines will continue to be visible to floor staff and CCTV cameras;
 - (c) it will make any necessary adjustments to the CCTV layout; and
 - (d) if floor plan "June 2008" is approved, it will not require floor plan "April 2008", and it can be removed.

Submissions by the Secretary

5. The Secretary had no objection to SCML's proposal.

Analysis

6. The application involves the relocation of a small number of gaming machines. There is no increase in opportunities for casino gambling, and no other issues of regulatory concern.

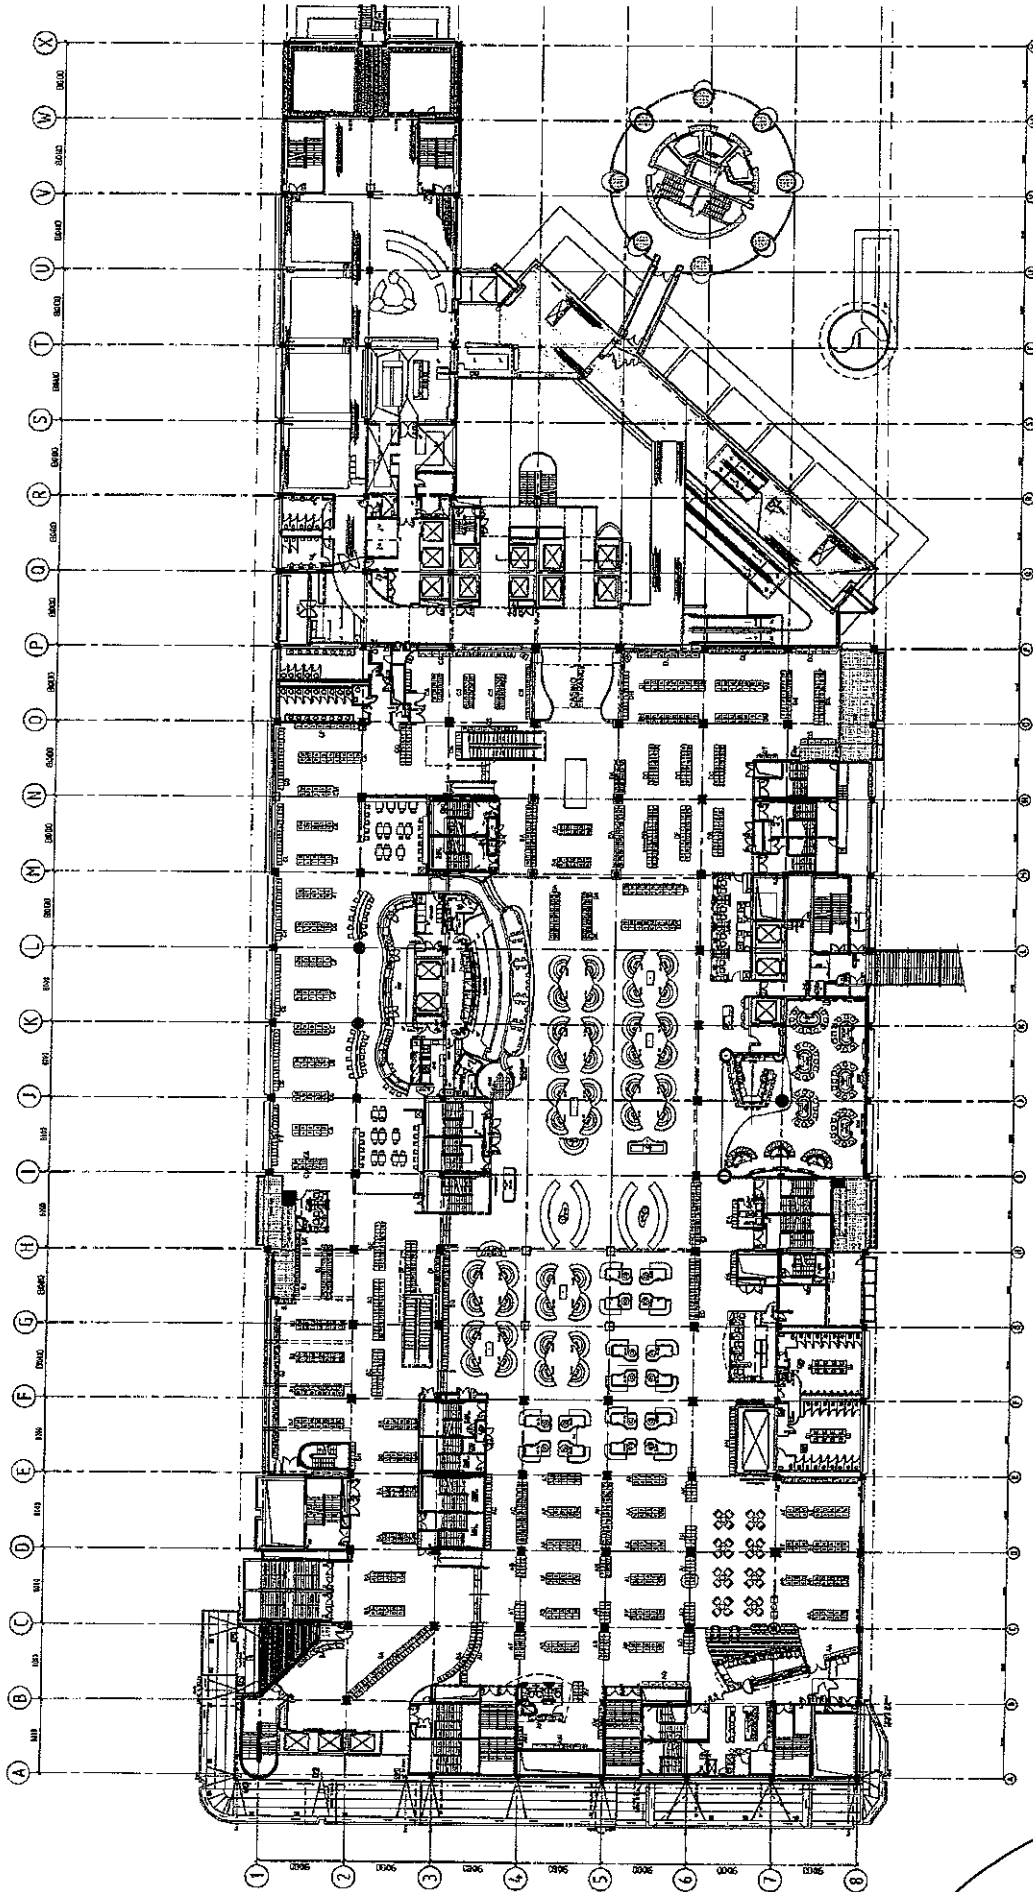

Decision

7. The Commission decided to approve, under condition 11 of SCML's operator's licence, floor plan "June 2008", **attached** to this decision.
8. Plan "April 2008" will cease to be valid once SCML is fully reliant upon plan "June 2008".
