### **CHRISTCHURCH CASINOS LIMITED – APPLICATION FOR RENEWAL OF VENUE LICENCE**

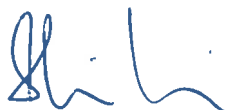

The Gambling Commission acknowledges receipt of your memorandum dated 21 May 2018.

Paragraph 10 of that memorandum seeks confirmation from the Commission that it will not make publicly available the Applicant Information Form (together with the supporting compliance records), the Company Information Form or the Personal Information Forms. The confirmation was sought pursuant to section 135(1)(f) of the Gambling Act 2003, with the supporting reasons articulated in paragraph 11 of the memorandum.

The Commission has considered the memorandum. The Commission broadly accepts the matters advanced in paragraph 11.1 and 11.2. As to paragraph 11.3, it accepts that, at present, there is no good reason for the information to be made public, but not that its assessment may not change in the future. Accordingly, it agrees, for the time being only, to make the information available only to the Police and the Government agencies from whom it seeks reports and not to make the information available for public inspection pursuant to section 135(1)(f) of the Act without prior notice to you.

The Commission intends to keep under review the question of whether any of the information should be made available for public inspection. If it subsequently forms the provisional view that any of the information should be made publicly available, the Commission agrees to contact you, on behalf of Christchurch Casinos Limited and the persons with significant influence, prior to that information being released, with a view to seeing whether agreement can be reached.

Yours faithfully
