

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION  
BY QUEENSTOWN CASINOS LIMITED FOR APPROVAL OF  
NEW SIGNAGE AT THE QUEENSTOWN CASINO**

**Date of Decision:** 2 December 2019

1. On 28 November 2019, Queenstown Casinos Limited ("QCL") applied, pursuant to condition 6 of its venue licence, for approval of new logo signage to be displayed at the entrance to SKYCITY Queenstown casino.

2. Condition 6 provides as follows:

6. The Licence Holder must obtain the approval of the Commission prior to:

- (a) ...
- (b) ...
- (c) the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located.

The process by which the Licence Holder may obtain approval for construction or design changes to Level 2 of the Casino Venue (6(a) above) is set out in condition 7. The Commission will determine any application for approval under 6(b). The Executive Director may approve the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located (paragraph (c) above) if he/she is satisfied the proposed changes will have no potentially adverse effects. If he/she is not so satisfied, the proposed changes must be referred to the Commission for a decision on approval.

7. The proposed signage will have no potentially adverse effects and is approved by the Executive Director under delegated authority pursuant to condition 6 QCL's venue licence. A copy of the new logo (which will be affixed to various signs around the Queenstown casino) is **attached**.

To ensure the safety of our customers and the integrity and fairness of casino gaming, SkyCity operates CCTV surveillance cameras and body-worn cameras throughout its venues.

SkyCity reserves the right to search customers and their possessions on entry (including use of a handheld security wand) and deny entry to those customers who refuse to cooperate.

As part of our ongoing commitment to responsible gaming behaviour, SkyCity uses facial recognition technology within the casino. This technology is designed to detect individuals within the casino who are currently excluded from entering any SkyCity casino in New Zealand so as to enable SkyCity to meet its obligations under the Gambling Act 2003.
