

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL
OF NEW FLOOR PLANS FOR THE AUCKLAND CASINO**

Date of Decision: 29 May 2020

1. On 29 May 2020 SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of two new floor plans, "2020 L2 003" and "2020 L3 003".
2. Condition 11 of SCML's operator's licence for the Auckland casino provides as follows:
 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

Submissions

3. SCML submitted as follows:
 - (a) It is currently reliant on plans "2020 L2 002" and "2020 L3 002".
 - (b) Following the recent approval to amend the zones on level 2, it wants to move some EGMs to accommodate the new hoarding positions. It also wants to take the opportunity to make some adjustments to the placement of gaming tables. The proposed changes are as follows:
 - Reconfigure 2 x tables
 - Remove 5 x Automated Table Game terminals and install 1 x table
 - Install 1 x table
 - Remove 9 x EGMs
 - Remove 11 x Automated Table Game terminals

- It also wants to update the icons to differentiate between Automated Table Game terminals and EGMs on the level 3 plan.
- (d) It wants to transition to floor plans 2020 L2 003 and 2020 L3 003, if approved, as soon as possible.
- (e) At all times, the number of EGMs and gaming tables will comply with the requirements of its licence conditions.

Decision

4. The floor plans proposal raises no issues of regulatory concern for the Commission. Accordingly, plans "2020 L2 003" and "2020 L3 003" (**attached**) are approved by the Chief Gambling Commissioner and the Executive Director under delegated authority, pursuant to condition 11 of SCML's operator's licence, for the Auckland casino.
5. Once SCML is reliant on plan "2020 L2 003", plan "2020 L2 002" will cease to be valid.
6. Once SCML is reliant on plan "2020 L3 003", plan "2020 L3 002" will cease to be valid.
