The new screen will be a mirrored screen, although much smaller, to the large screen located on the right hand side of the main entrance when looking in from the street.
- (b) All signage to be displayed on the screen will be visible from outside the casino, but it will seek approval of that signage from the Commission.

Decision

4. The Executive Director was satisfied that CCL's proposed construction and design changes will not adversely impact upon any of the matters set out in condition 7. The construction and design changes proposed are approved by the Executive Director under delegated authority pursuant to conditions 6 and 7 of CCL's venue licence. The construction and design changes are to be generally in accordance with the application.
