

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL
OF A NEW FLOOR PLAN FOR THE HAMILTON CASINO**

Date of Decision: 6 August 2020

1. On 4 August 2020 SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to conditions 11 and 12 of its operator's licence for the Hamilton casino, for approval of a temporary floor plan, "2020 HAM 003 Temp" for the Hamilton casino.
2. Conditions 11 and 12 of SCML's operator's licence for the Hamilton casino provide as follows:
 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines.
 12. The Licence Holder shall obtain the approval of the Commission for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for the consideration of the Commission. Any changes must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.
3. SCML submitted as follows:
 - (a) The recent construction and design changes at the Hamilton casino, approved by the Commission under delegated approval, have now been completed. It now wants to complete some remedial works in the ceiling of the Baccarat area.
 - (b) To accommodate the remedial works, it wants to relocate, temporarily, two gaming tables.
 - (c) It is intended that the proposed works will commence on 17 August 2020 and be completed within four to six weeks.
 - (d) Once the works have been completed it will revert to the previously approved plan 2020 HAM 003.
 - (e) At all times, the number of EGMs and gaming tables will comply with the requirements of its licence conditions.

Decision

6. The floor plan proposal raises no issues of regulatory concern for the Commission. Accordingly, plan "2020 HAM 003 Temp" (**attached**) is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority, pursuant to conditions 11 and 12 of SCML's operator's licence, for the Hamilton casino.
7. Once SCML reverts to plan "2020 HAM 003" from plan "2020 HAM 003 Temp", the "temp" plan will cease to be valid.
