

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY CHRISTCHURCH CASINOS LIMITED FOR APPROVAL OF
CONSTRUCTION AND DESIGN CHANGES TO THE CHRISTCHURCH CASINO**

Date of Decision: 12 August 2020

1. On 12 August 2020, Christchurch Casinos Limited Limited (“**CCL**”) applied, pursuant to conditions 6 and 7 of its venue licence, for approval of construction and design changes at the Christchurch casino. CCL wants to erect temporary screens in various locations around the casino.
2. Conditions 6 and 7 of CCL’s venue licence provide as follows:
 6. Subject to the provisions of condition 7, the Licence Holder must obtain the approval of the Commission prior to:
 - (a) Any construction or design changes whatsoever in the Gambling Area (Schedule 1) and Additional Gambling Areas (Schedules 2, 3, 4 or 5) and for any construction or design changes elsewhere in the Casino Venue which may impact on the matters set out in condition 7;
 - (b) the construction or relocation outside the Gambling Area and Additional Gambling Areas and within the Casino Venue of bank facilities available to the public excluding ATMs, EFTPOS and like devices; and
 - (c) the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located.

The process by which the Licence Holder may obtain approval for construction or design changes to Car Park 2, Level 1 and Level 2 and the rooftop area of the Casino Venue, (paragraph (a) above) is set out in condition 7. The Commission will determine any application for approval under 6(b). The Executive Director may approve the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located (paragraph (c) above) if he/she is satisfied the proposed changes will have no potentially adverse effects. If he/she is not so satisfied, the proposed changes must be referred to the Commission for a decision on approval.

7. The Licence Holder must notify the Executive Director of any proposed changes to the construction or design for which approval is required under condition 6. Notification must be accompanied by relevant drawings and an assessment of any impacts the alterations may have on:
 - (a) the integrity and fairness of games;
 - (b) the effectiveness of security and surveillance;
 - (c) harm prevention, harm minimisation and responsible gambling;
 - (d) potential access to the Gambling Area by persons under 20 years of age; and
 - (e) compliance by any person with the Act, including section 11 of the Act.

The Executive Director may approve the proposed changes to the construction or design if he or she is satisfied that there are no adverse impacts in relation to the

matters specified in (a)-(e) above. If the Executive Director is not satisfied, he or she will refer the proposal to the Commission for determination.

Submissions

3. CCL submitted as follows:

- (a) With the re-emergence of community transmission of COVID-19, and New Zealand being moved to Alert Level 2 (outside of Auckland), it wants to reinstate the temporary screens that had been previously approved by the Commission under delegated approval, to create five distinct areas within the casino.
- (b) It also wants to turn off multiple EGMs to create social distancing. Consequently, it is planning to open the casino with a total of 281 operational EGMs.
- (c) It will also continue with the expected health and safety measures under Alert Level 2, including limiting each area to 100 people.

Decision

4. The Executive Director was satisfied that CCL's proposed construction and design changes will not adversely impact upon any of the matters set out in condition 7. The construction and design changes proposed are approved by the Executive Director under delegated authority pursuant to conditions 6 and 7 of CCL's venue licence. The construction and design changes are to be generally in accordance with the application, and are valid until New Zealand enters Alert Level 1.
