

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY SKYCITY HAMILTON LIMITED FOR APPROVAL OF CONSTRUCTION AND DESIGN
CHANGES AT THE HAMILTON CASINO**

Date of Decision: 13 April 2022

1. On 13 April 2022, SKYCITY Hamilton Limited (“**SHL**”) applied, pursuant to conditions 6 and 7 of its venue licence, for approval of construction and design changes at the Hamilton casino. SHL wants to remove the hoardings that were previously installed for COVID-19 protection.
2. Conditions 6 and 7 of SHL’s venue licence for the Hamilton casino provide as follows:

6. The Licence Holder must obtain the approval of the Commission prior to:

- (a) construction or design changes to Levels B1 and 1 of the Casino Venue, including the Gambling Area;
- (b) the construction or relocation outside the Gambling Area and within the Casino Venue of bank facilities available to the public excluding ATMs, EFTPOS and like devices;
- (c) the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located.

The process by which the Licence Holder may obtain approval for construction or design changes to Levels B1 and 1 of the Casino Venue (6(a) above) is set out in condition 7. The Commission will determine any application for approval under 6(b). The Executive Director may approve the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located (paragraph (c) above) if he/she is satisfied the proposed changes will have no potentially adverse effects. If he/she is not so satisfied, the proposed changes must be referred to the Commission for a decision on approval.

7. The Licence Holder must notify the Executive Director of any proposed changes to the construction or design of Levels B1 and 1 of the Casino Venue, Notification must be accompanied by relevant drawings and an assessment of any impacts the alterations may have on:

- (a) the integrity and fairness of games;
- (b) the effectiveness of security and surveillance;
- (c) harm prevention, harm minimisation and responsible gambling;
- (d) potential access to the Gambling Area by persons under 20 years of age; and
- (e) compliance by any person with the Act, including section 11.

The Executive Director may approve the proposed changes to the construction or design if he or she is satisfied that there are no adverse impacts in relation to the matters specified in (a)-(e) above. If the Executive Director is not satisfied, he or she will refer the proposal to the Commission for determination.

Submissions

3. SHL submitted as follows:

- (a) The Government announced that New Zealand will tonight move from Red to Orange in the Covid Protection Framework and as such, the temporary hoardings currently in place can be removed. Their removal will have no adverse impact on the matters set out in condition 7.
- (b) To the extent that any cameras need to be adjusted to ensure coverage is not adversely impacted by the removal of the hoardings, those adjustments will be undertaken.

Decision

- 4. The Commission was satisfied that the proposed construction and design changes in relation to the removal of hoardings will not adversely impact any of the matters set out in condition 7. The construction and design changes are approved by the Executive Director under delegated authority pursuant to conditions 6 and 7 of SHL's venue licence.
