2. Conditions 6 and 7 of CCL’s venue licence provide as follows:
 6. Subject to the provisions of condition 7, the Licence Holder must obtain the approval of the Commission prior to:
 - (a) any construction or design changes whatsoever in the Gambling Area (Schedules 1 and 2) and Additional Gambling Area (Schedule 3) and for any construction or design changes elsewhere in the Casino Venue which may impact on the matters set out in condition 7;

The process by which the Licence Holder may obtain approval for construction or design changes to Level 1, Level 2 and the rooftop area of the Casino Venue, (paragraph (a) above) is set out in condition 7. The Commission will determine any application for approval under 6(b). The Executive Director may approve the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located (paragraph (c) above) if he/she is satisfied the proposed changes will have no potentially adverse effects. If he/she is not so satisfied, the proposed changes must be referred to the Commission for a decision on approval.

7. The Licence Holder must notify the Executive Director of any proposed changes to the construction or design for which approval is required under condition 6. Notification must be accompanied by relevant drawings and an assessment of any impacts the alterations may have on:
 - (a) the integrity and fairness of games;
 - (b) the effectiveness of security and surveillance;
 - (c) harm prevention, harm minimisation and responsible gambling;
 - (d) potential access to the Gambling Area by persons under 20 years of age; and

If the Executive Director is not satisfied, he or she will refer the proposal to the Commission for determination.
