BY CHRISTCHURCH CASINOS LIMITED FOR APPROVAL OF
A CONSTRUCTION AND DESIGN CHANGE
AT THE CHRISTCHURCH CASINO**

Date of Decision: 26 February 2025

1. On 26 February 2025, Christchurch Casinos Limited (“**CCL**”) applied, pursuant to conditions 6 and 7 of its venue licence, for approval of a construction and design change at the Christchurch Casino. CCL sought an extension to earlier approvals provided by the Commission.
2. Conditions 6 and 7 of CCL’s venue licence provide as follows:

6. Subject to the provisions of condition 7, the Licence Holder must obtain the approval of the Commission prior to:
 - (a) any construction or design changes whatsoever in the Gambling Area (Schedules 1 and 2) and Additional Gambling Area (Schedule 3) and for any construction or design changes elsewhere in the Casino Venue which may impact on the matters set out in condition 7;
 - (b) the construction or relocation outside the Gambling Area and Additional Gambling Areas and within the Casino Venue of bank facilities available to the public excluding ATMs, EFTPOS and like devices; and
 - (c) the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located.

The process by which the Licence Holder may obtain approval for construction or design changes to Level 1, Level 2 and the rooftop area of the Casino Venue, (paragraph (a) above) is set out in condition 7. The Commission will determine any application for approval under 6(b). The Executive Director may approve the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located (paragraph (c) above) if he/she is satisfied the proposed changes will have no potentially adverse effects. If he/she is not so satisfied, the proposed changes must be referred to the Commission for a decision on approval.

7. The Licence Holder must notify the Executive Director of any proposed changes to the construction or design for which approval is required under condition 6. Notification must be accompanied by relevant drawings and an assessment of any impacts the alterations may have on:
 - (a) the integrity and fairness of games;
 - (b) the effectiveness of security and surveillance;
 - (c) harm prevention, harm minimisation and responsible gambling;
 - (d) potential access to the Gambling Area by persons under 20 years of age; and
 - (e) compliance by any person with the Act, including section 11 of the Act.

The Executive Director may approve the proposed changes to the construction or design if he or she is satisfied that there are no adverse impacts in relation to the matters specified in (a)-€ above. If the Executive Director is not satisfied, he or she will refer the proposal to the Commission for determination.

Submissions

3. CCL submitted as follows:
 - (a) *Under delegated approval 1546, the Commission approved the placement of the Colossus Machine (Colossus) on level 2 for a promotion which commenced on 2 December. Pursuant to that approval, Colossus had to be removed from level 2 on 3 January 2025.*
 - (b) *It subsequently sought an approval for Colossus to remain on level 2 until 7 March 2025 because it wanted to use it for additional promotions in January and February. It submitted that it would be easier to leave the Colossus on the floor in between promotions. The approval was granted pursuant to delegated approval 1557.*
 - (c) *It now seeks a further extension for Colossus remain on level 2 until 16 April 2025 because it wants to use it for additional promotions in February, March and April 2025 and it will be easier to leave it on the floor in between promotions. The proposal will not have an adverse impact on conditions 6 and 7.*
4. The Executive Director was satisfied that the proposed construction and design changes will not adversely impact upon any of the matters set out in condition 7. The construction and design changes proposed are approved by the Executive Director under delegated authority pursuant to conditions 6 and 7 of CCL's venue licence. The construction and design changes are to be generally in accordance with the application.
5. The approval will cease to be valid on 16 April 2025.
