

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY CHRISTCHURCH CASINOS LIMITED FOR APPROVAL OF
CONSTRUCTION AND DESIGN CHANGES**

Date of Decision: 8 May 2025

1. On 7 May 2025, Christchurch Casinos Limited (“**CCL**”) applied, pursuant to conditions 6 and 7 of its venue licence, for approval of construction and design changes at the Christchurch Casino. CCL wants to install a promotional Red Door on level 1 at the casino.

2. Conditions 6 and 7 of CCL’s venue licence provide as follows:

6. Subject to the provisions of condition 7, the Licence Holder must obtain the approval of the Commission prior to:
 - (a) any construction or design changes whatsoever in the Gambling Area (Schedules 1 and 2) and Additional Gambling Area (Schedule 3) and for any construction or design changes elsewhere in the Casino Venue which may impact on the matters set out in condition 7;
 - (b) the construction or relocation outside the Gambling Area and Additional Gambling Areas and within the Casino Venue of bank facilities available to the public excluding ATMs, EFTPOS and like devices; and
 - (c) the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located.

The process by which the Licence Holder may obtain approval for construction or design changes to Level 1, Level 2 and the rooftop area of the Casino Venue, (paragraph (a) above) is set out in condition 7. The Commission will determine any application for approval under 6(b). The Executive Director may approve the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located (paragraph (c) above) if he/she is satisfied the proposed changes will have no potentially adverse effects. If he/she is not so satisfied, the proposed changes must be referred to the Commission for a decision on approval.

7. The Licence Holder must notify the Executive Director of any proposed changes to the construction or design for which approval is required under condition 6. Notification must be accompanied by relevant drawings and an assessment of any impacts the alterations may have on:
 - (a) the integrity and fairness of games;
 - (b) the effectiveness of security and surveillance;
 - (c) harm prevention, harm minimisation and responsible gambling;
 - (d) potential access to the Gambling Area by persons under 20 years of age; and
 - (e) compliance by any person with the Act, including section 11 of the Act.

The Executive Director may approve the proposed changes to the construction or design if he or she is satisfied that there are no adverse impacts in relation to the matters specified in (a)-(e) above. If the Executive Director is not satisfied, he or she will refer the proposal to the Commission for determination.

Submissions

3. CCL submitted as follows:
- (a) It wants to install a Red Door on level 1 at the casino. The door relates to its King's Cash Red Door promotion.
 - (b) The promotion is exclusive to all current Players Club members who play gaming machines during the promotional period, 31 May to 2 June 2025.
 - (c) If approved, the Red Door will be placed on level 1 next to the Grand Café and will open to reveal 12 identical prize positions housed in envelopes, which members whose number is called for the prize draw will have a chance to select.
 - (d) The Red Door will be placed next to the Grand Café from 23-30 May to build anticipation for the promotion, and then moved to the stage on the MGF from 30 May-2 June. It will be removed on 3 June.
 - (e) There will be no adverse impact in relation to the matters set out in condition 7 of its venue licence.
4. The Executive Director was satisfied that the proposed construction and design changes will not adversely impact upon any of the matters set out in condition 7. The construction and design changes proposed are approved by the Executive Director under delegated authority pursuant to conditions 6 and 7 of CCL's venue licence. The Red Door is to be located in the position indicated by CCL.
