

**DECISION UNDER DELEGATED AUTHORITY ON AN
APPLICATION BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF A NEW
FLOOR PLAN FOR THE HAMILTON CASINO**

Date of Decision: 28 July 2025

1. On 21 July 2025, SKYCITY Casino Management Limited (“**SCML**”) applied, pursuant to conditions 11 and 12 of its operator’s licence for the Hamilton casino, for approval of a new floor plan, “HAM 2025 004” for the Hamilton Casino.
2. Conditions 11 and 12 of SCML’s operator’s licence for the Hamilton casino provide as follows:
 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines.
 12. The Licence Holder shall obtain the approval of the Commission for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for the consideration of the Commission. Any changes must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

Submissions

3. SCML recently submitted floor plan HAM 2025 003 for approval by the Commission. This plan was approved pursuant to delegated approval 1629. It has now noticed that this plan depicts a bank of 6 machines rotated 90° compared to the bank of machines on the gaming floor. This was unintentional and the machines have not moved since their position was approved in plan HAM 2025 002.
4. To align the machines on the gaming floor with the approved plan, it seeks approval of a new plan, “HAM 2025 004”, which correctly reflects the current floor plan layout by re-orientating the bank of 6 machines. No further changes have been made.
5. The Secretary had no regulatory concerns in relation to SCML’s proposal.

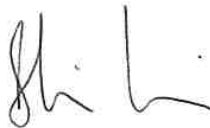

Decision

6. The Commission was satisfied that the proposed floor plan raises no issues of regulatory concern. Accordingly, plan “HAM 2025 004” (**attached**) is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority, pursuant to conditions 11 and 12 of SCML’s operator’s licence for the Hamilton casino.

7. Once SCML is reliant on plan "HAM 2025 004", plan "HAM 2025 003" will cease to be valid.
