UNDER DELEGATED AUTHORITY ON AN APPLICATION BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF A NEW FLOOR PLAN FOR THE HAMILTON CASINO

Date of Decision: 20 **September 2013**

1. On 19 September 2013, SKYCITY Casino Management Limited (**"SCML"**) applied, pursuant to conditions 11 and 12 of SCML's operator's licence for the Hamilton casino, for approval of a new floor plan, "October 2013".

2. Conditions 11 and 12 provide as follows:

> 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines.
>
> 12. The Licence Holder shall obtain the approval of the Commission for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for the consideration of the Commission. Any changes must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

3. SCML submitted as follows:

   (a) It is currently reliant on plan "August 2013".

   (b) It wants to make a minor change to this plan by relocating four EGMs.

4. The proposal raises no issues of regulatory concern for the Commission. Accordingly the proposed new floor plan is approved by a Gambling Commissioner and the Executive Director under delegated authority pursuant to conditions 11 and 12 of SCML's operator's licence. Plan "October 2013" is **attached.**

5. Once SCML is reliant on plan "October 2013" plan "August 2013" will cease to be valid.
