UNDER DELEGATED AUTHORITY ON AN APPLICATION BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF NEW FLOOR PLANS FOR THE AUCKLAND CASINO

Date of Decision: 30 **October 2013**

1. On 29 October 2013, SKYCITY Casino Management Limited (**"SCML"**) applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of two new floor plans: 2013 L2 20A and 2013 L2 21A.

2. Condition 11 provides as follows:

> 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

3. SCML submitted as follows:

   (a) It has previously obtained Commission approvals in relation to the installation of an escalator on the Main Gaming Floor, and for the Festival of Poker. These approvals are depicted in plans 2013 L2 20 and 2013 L2 21.

   (b) It wants to amend these plans by relocating six gaming machines from one part of the MGF to another.

4. The proposal raises no issues of regulatory concern for the Commission. Accordingly plans 2013 L2 20A and 2013 L2 21A are approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence for the Auckland casino.

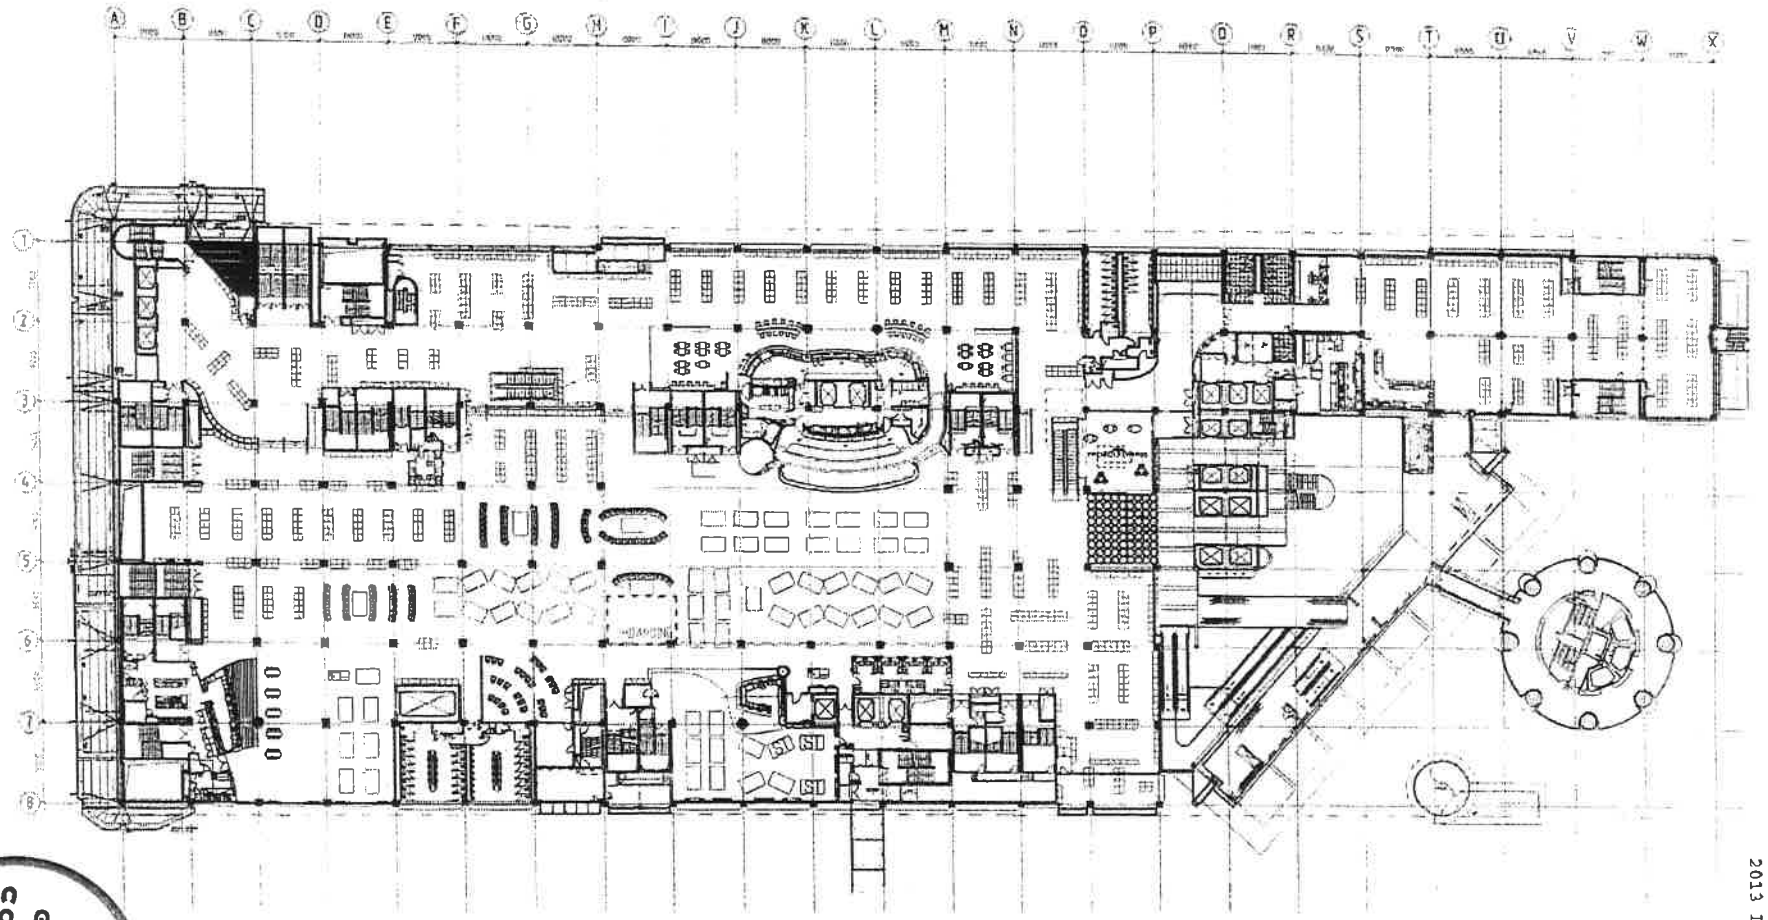

5. Plans 2013 L2 20A and 2013 L2 21A are **attached**. Once SCML is reliant upon either of these plans, then plans 2013 L2 20 and 2013 L2 21 ceases to be valid.
