UNDER DELEGATED AUTHORITY ON AN APPLICATION BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF NEW FLOOR PLANS FOR THE AUCKLAND CASINO

Date of Decision: 22 **January 2014**

1. On 17 January 2014, SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of two new floor plans, 2014 L2 24A and 2014 L2 25A.

2. Condition 11 provides as follows:

> 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

3. SCML submitted as follows:

   (a) It currently has two approved plans for level 2 – 2013 L2 24 and 2013 L2 25.

   (b) It wants to make minor changes to both plans, involving the installation of one additional terminal to the Vegas Star game on level 2. The installation of this terminal will bring the total of gaming machines to 1,646.

4. The proposal raises no issues of regulatory concern for the Commission. Accordingly new plans 2014 L2 24A and 2014 L2 25A are approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence for the Auckland casino.

5. Plans 2014 L2 24A and 2014 L2 25A are **attached**.

6. Once SCML is reliant on plan 2014 L2 24A, plan 2013 L2 24 will cease to be valid.

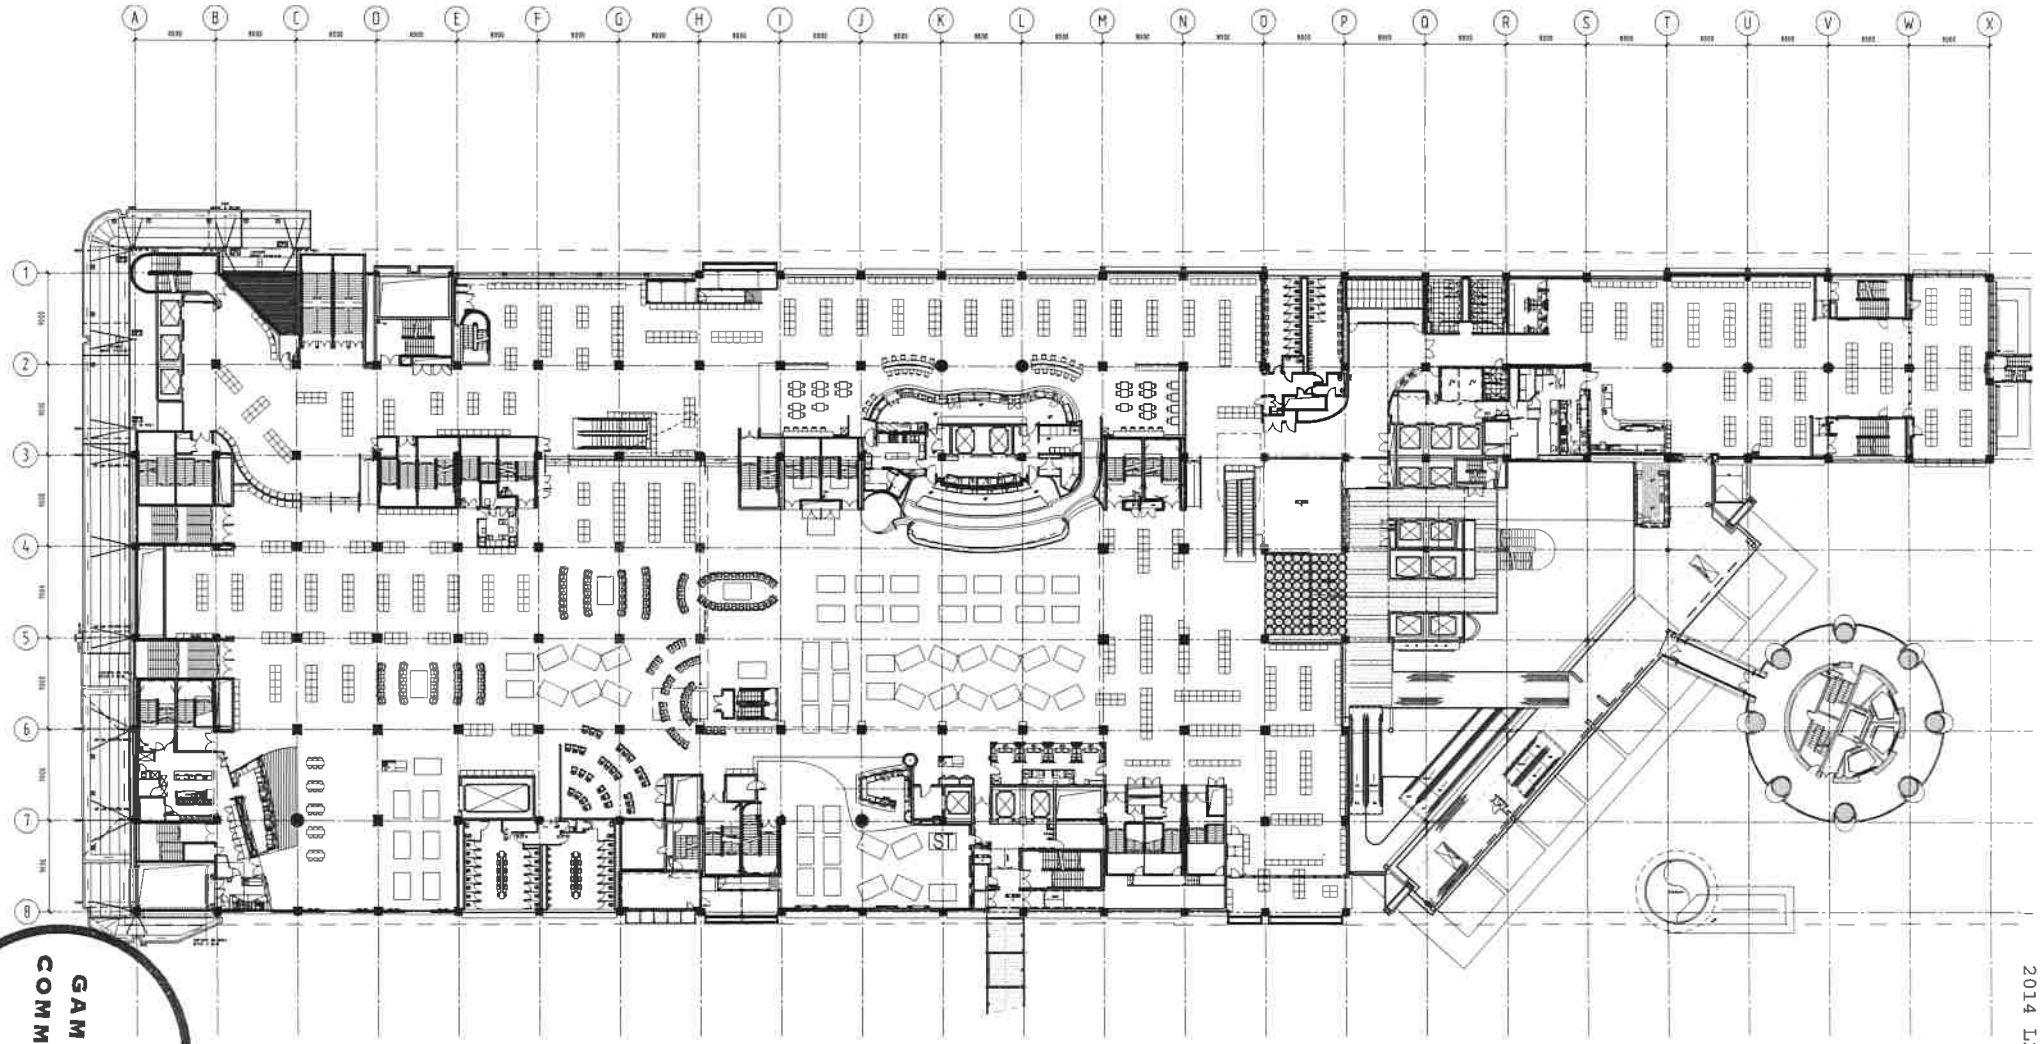

7. Once SCML is reliant on plan 2014 L2 25A, plan 2014 L2 24A will cease to be valid.
