UNDER DELEGATED AUTHORITY ON AN APPLICATION BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF NEW FLOOR PLANS FOR THE AUCKLAND CASINO

Date of Decision: 27th **March 2014**

1. On 25 March 2014, SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of three new floor plans: 2014 L1 004, 2014 L2 26 and 2014 L3 004.

2. Condition 11 provides as follows:

> 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

3. SCML submitted as follows:

   (a) It wants to install four additional EGMs machines on level 1, and to reconfigure a separate bank.

   (b) It wants to remove nine EGMS from level 2, install a new gaming table, and re-designate an existing table as a substitute table.

   (c) It wants to install seven additional EGMs in the Platinum Room on level 3.

   (d) In total, 11 machines will be installed and nine removed. It currently operates 1645 EGMs, so the changes will bring it to its full complement of 1647.

   (e) The installation of an additional table and redesignation of an existing table as a substitute means that the total number of tables remains at 110.

   (f) It wants to commence installation on 31 March 2014.

4. The proposal raises no issues of regulatory concern for the Commission. Accordingly new plans 2014 L1 004, 2014 L2 26 and 2014 L3 004 are approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence for the Auckland casino.

5. Plans 2014 L1 004, 2014 L2 26 and 2014 L3 004 are **attached**.

6. Once SCML is reliant on plan 2014 L1 004, plan 2013 L1 003 will cease to be valid.

7. Once SCML is reliant on plan 2014 L2 26, plan 2014 L2 25A will cease to be valid.

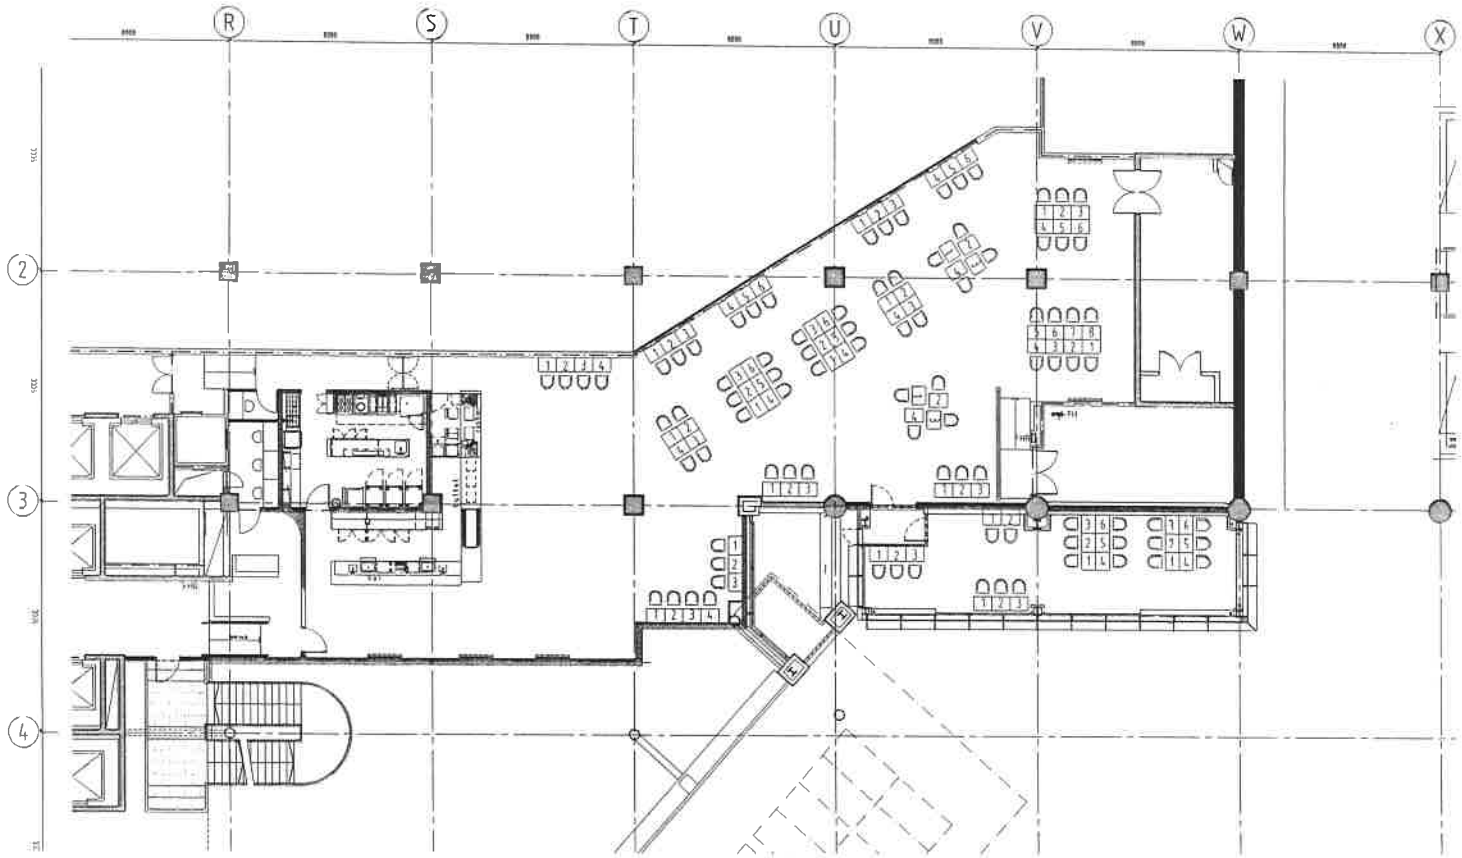

8. Once SCML is reliant on plan 2014 L3 004, plan 2013 L3 003 will cease to be valid.
