DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION BY CHRISTCHURCH CASINOS LIMITED FOR APPROVAL OF A NEW FLOOR PLAN FOR LEVEL 4 OF THE CHRISTCHURCH CASINO

Date of Decision: 3 **July 2014**

1. On 4 July 2013, Christchurch Casinos Limited ("**CCL**") applied, pursuant to condition 12 of its operator's licence, for approval of a new floor plan labelled "June 2014" for level 4 of the Christchurch casino.

2. Condition 12 provides as follows:

> The Licence Holder shall obtain the approval of the Commission for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for the consideration of the Commission. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

3. CCL submitted as follows:

   (a) It wants to accommodate a second oversized gaming machine on its gaming floor. It presently has one oversized gaming machine (called "Big Bertha") on level 3, but it wants to move this to level 4 and replace it with a second oversized machine (called "Goliath").

   (b) Moving the oversized machine to level 4 will require it to remove one (regular) gaming machine, and reposition two (regular) gaming machines on that level, but will make no difference to the level 3 floor plan.

4. The proposal raises no issues of regulatory concern for the Commission. Accordingly a new plan for level 4, June 2014 (**attached**), is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 12 of CCL's operator's licence for the Christchurch casino. For ease of reference, the floor plan for level 3 is also **attached**.

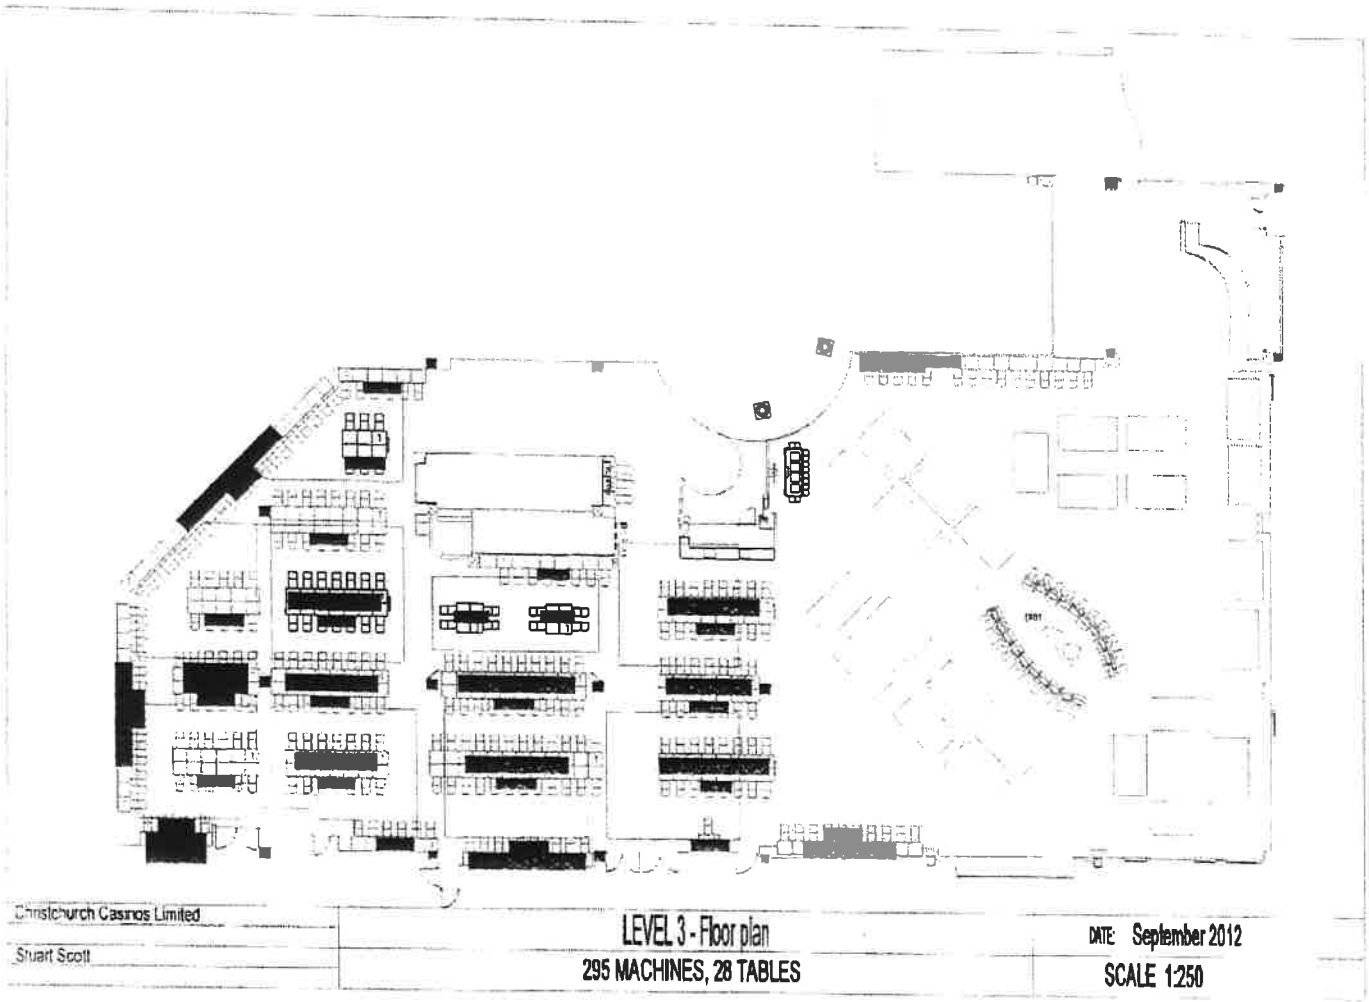

5. Once CCL is reliant on plans June 2014, plans September 2012 will cease to be valid.
