DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF NEW FLOOR PLANS FOR THE AUCKLAND CASINO

Date of Decision: 16th **October 2014**

1. On 15 October 2014, SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of new floor plans: 2014 L2 034A and 2014 L2 035.

2. Condition 11 provides as follows:

> 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

3. SCML submitted as follows:

   (a) It wants to make temporary changes to the placement of its gambling product on the Main Gaming Floor ("**MGF**") during the Festival of Poker, and further changes post-Festival.

   (b) The temporary changes it proposed are as follows:
   - the addition of 2 Poker tables on the MGF;
   - the re-designation of 2 Black Jack tables and 2 substitute tables, which will increase the number of substitute tables by two (and reduce the actual number of tables by two).

   (c) Following the Festival of Poker it will withdraw the extra two Poker tables and re-designate two of the substitute tables as actual tables, and change the location of the two remaining substitute tables.

   (d) Plan 2014 L2 035 is the same as the previously approved plan 2014 L2 034, other than the location of the two substitute tables.

   (e) From 14 November to 24 November it will be reliant on plan 2014 L2 34A. Following the event it will be relivant on plan 2014 L2 035.

4. The proposal raised no issues of regulatory concern for the Commission. Accordingly new plans 2014 L2 034A and 2014 L2 035 (**attached**) are approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence for the Auckland casino.

5. Once SCML is reliant on plan 2014 L2 034A, plan 2014 L2 034 will cease to be valid.

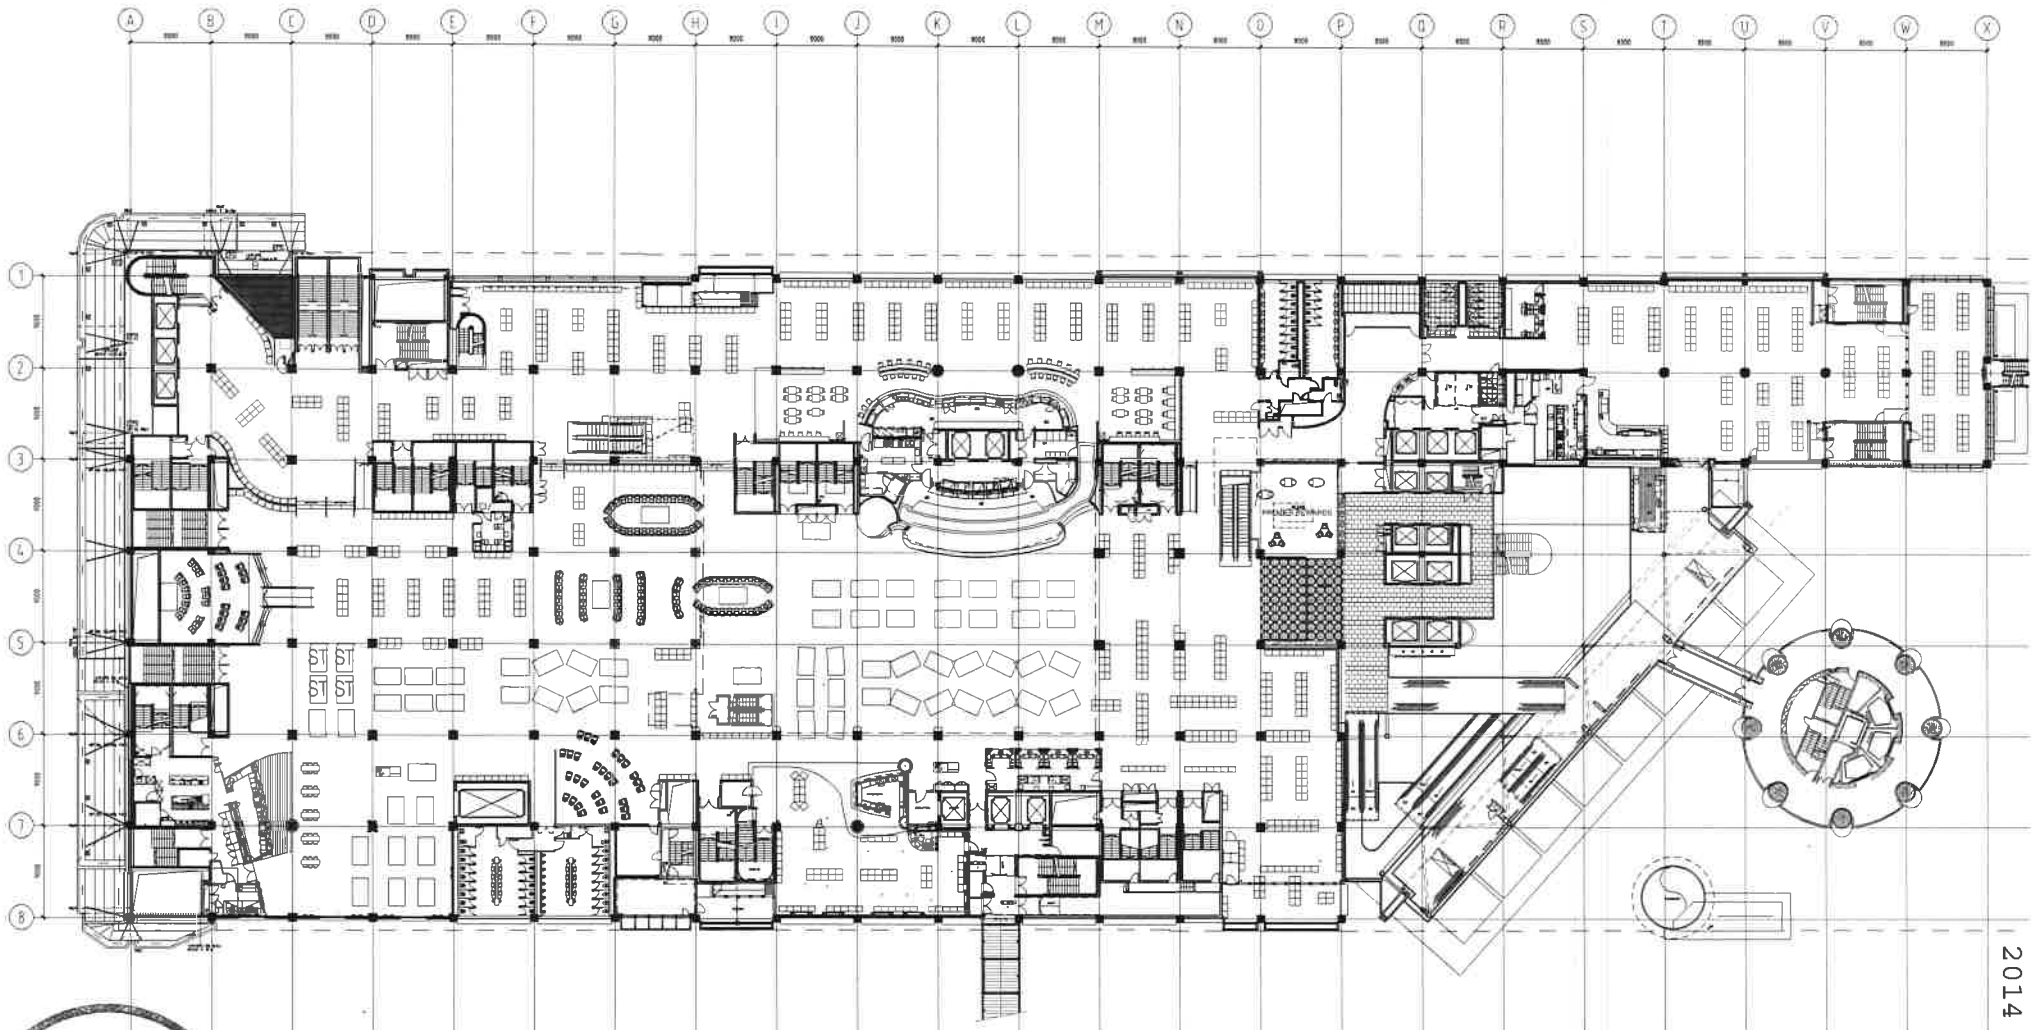

6. Once SCML is reliant on plan 2014 L2 035, plan 2014 L2 034A will cease to be valid.
