DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF NEW FLOOR PLANS FOR THE AUCKLAND CASINO

Date of Decision: 11 **November 2014**

1. On 10 November 2014, SKYCITY Casino Management Limited (**"SCML"**) applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of new floor plans: 2014 L1 005 and 2014 L3 012.

2. Condition 11 provides as follows:

> 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

3. SCML submitted as follows:

   (a) It wants to make changes to the placement of its gambling product in the VIP Black Room on level 1 and the Platinum Room on level 3 at the casino.

   (b) The changes involve the relocation of 1 gaming machine from the Platinum Room to the VIP Black Room.

   (c) It wants to make the changes during the week commencing 24 November 2014.

4. The proposal raised no issues of regulatory concern for the Commission. Accordingly new plans 2014 L1 005 and 2014 L3 012 (**attached**) are approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence for the Auckland casino.

5. Once SCML is reliant on plan 2014 L1 005, plan 2014 L1 004 will cease to be valid.

6. Once SCML is reliant on plan 2014 L3 012, plan 2014 L3 011 will cease to be valid.
