DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF NEW FLOOR PLANS FOR THE AUCKLAND CASINO

Date of Decision: 1 **April 2015**

1. On 31 March 2015, SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of two new floor plans: 2015 L2 004 and 2015 L3 003.

2. Condition 11 provides as follows:

> 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

3. SCML submitted as follows:

   (a) Following an earlier Commission approval (to remove the escalators between levels 2 and 3, and expand the Baccarat room), it seeks approval of new floor plans to allow it to decommission 40 gaming machines from across levels 2 and 3 and relocate them on to the raised floor at the southern end of level 2.

   (b) It wants to remove substitute tables AR503 and BJ502 from level 2 and to relocate one of the existing electronic roulette games from its current location (on the raised floor at the southern end of level 2) and downsize it to a 6 machine configuration to take the place of the substitute tables.

   (c) It wants to commence this work from 13 April 2015.

4. The proposal raised no issues of regulatory concern for the Commission. Accordingly new plans 2015 L2 004 and 2015 L3 003 (**attached**) are approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence for the Auckland casino.

5. Once SCML is reliant on plan 2015 L2 004, plan 2015 L2 003 will cease to be valid.

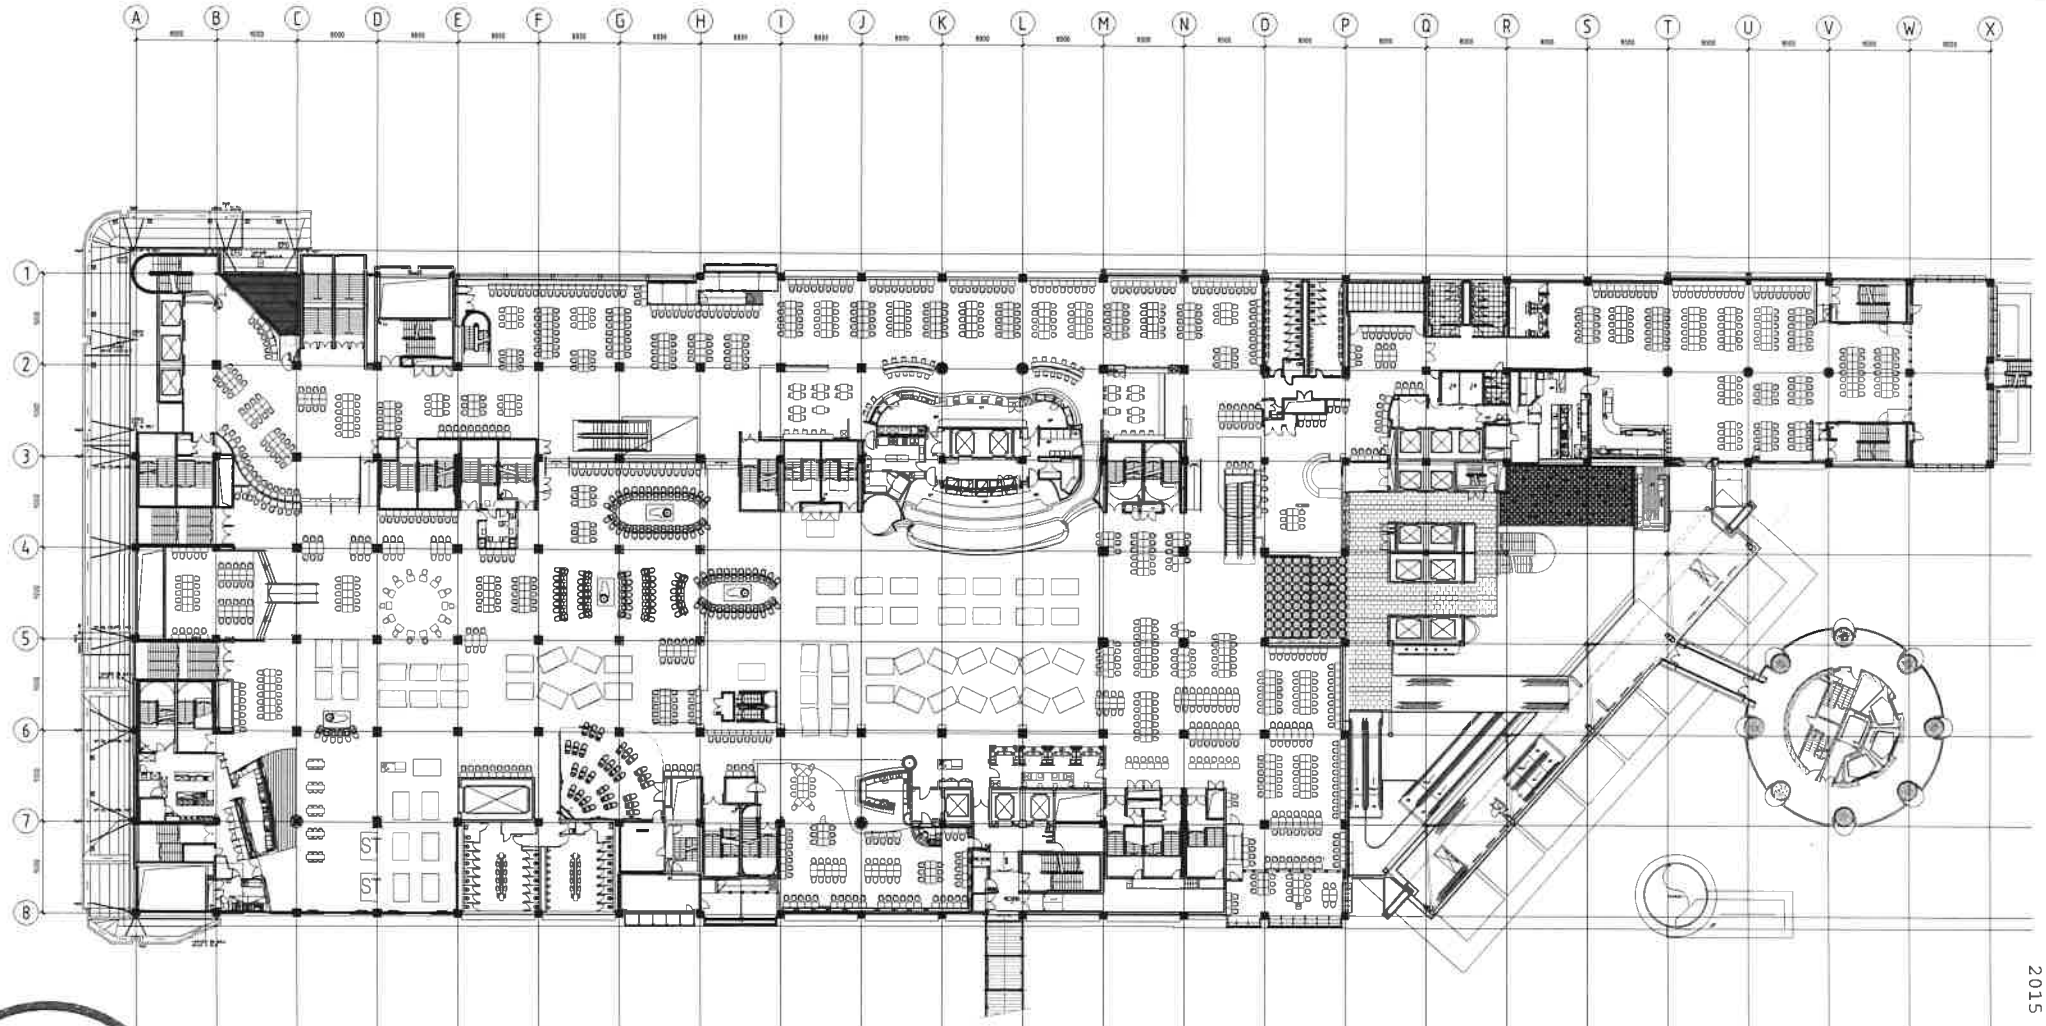

6. Once SCML is reliant on plan 2015 L3 003, plan 2015 L3 002 will cease to be valid.
