DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF NEW FLOOR PLANS FOR THE AUCKLAND CASINO

Date of Decision: 4 **September 2015**

1. On 3 September 2015, SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of four new floor plans: 2015 L2 008A, 2015 L2 009 revised, 2015 L2 009 temp revised and 2015 L3 007.

2. Condition 11 provides as follows:

> 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

3. SCML submitted as follows:

   (a) On or around 14 September 2015, it wants to relocate 41 gaming machines from Level 2 to Level 3. The relocation of these machines is to facilitate construction and design work on level 2 involving the installation of an escalator.

   (b) On or around 28 September 2015, it wants to relocate 25 gaming machines to the vacant area created by the removal of the escalators leading to Fortuna. The relocation of these gaming machines was approved by the Commission in plan 2015 L2 009, but it wants to amend this plan to incorporate the abovementioned relocation of 41 gaming machines.

   (c) On or around 31 September 2015, it wants to relocate its substitute tables to facilitate a Poker tournament. The relocation has already been approved by the Commission in plan 2015 L2 009 temp, but it wants to amend this plan to incorporate the abovementioned changes.

   (d) Following completion of the Poker tournament it will revert back to plan 2015 L2 009 revised.

4. The proposal raised no issues of regulatory concern for the Commission. Accordingly new plans 2015 L2 008A, 2015 L2 009 revised, 2015 L2 009 temp revised and 2015 L3 007 (**attached**) are approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 of SCML's operator's licence for the Auckland casino.

5. Once SCML is reliant on plan 2015 L2 008A, plan 2015 L2 008 will cease to be valid.

6. Once SCML is reliant on plan 2015 L2 009 revised, plan 2015 L2 008A will cease to be valid.

7. SCML will deploy plan 2015 L2 009 temp revised for a Poker tournament. Once this tournament has concluded, SCML will revert to plan 2015 L2 009 revised. Once it does so, plan 2015 L2 009 temp revised will cease to be valid. Plan 2015 L2 009 temp ceases to be valid with immediate effect.

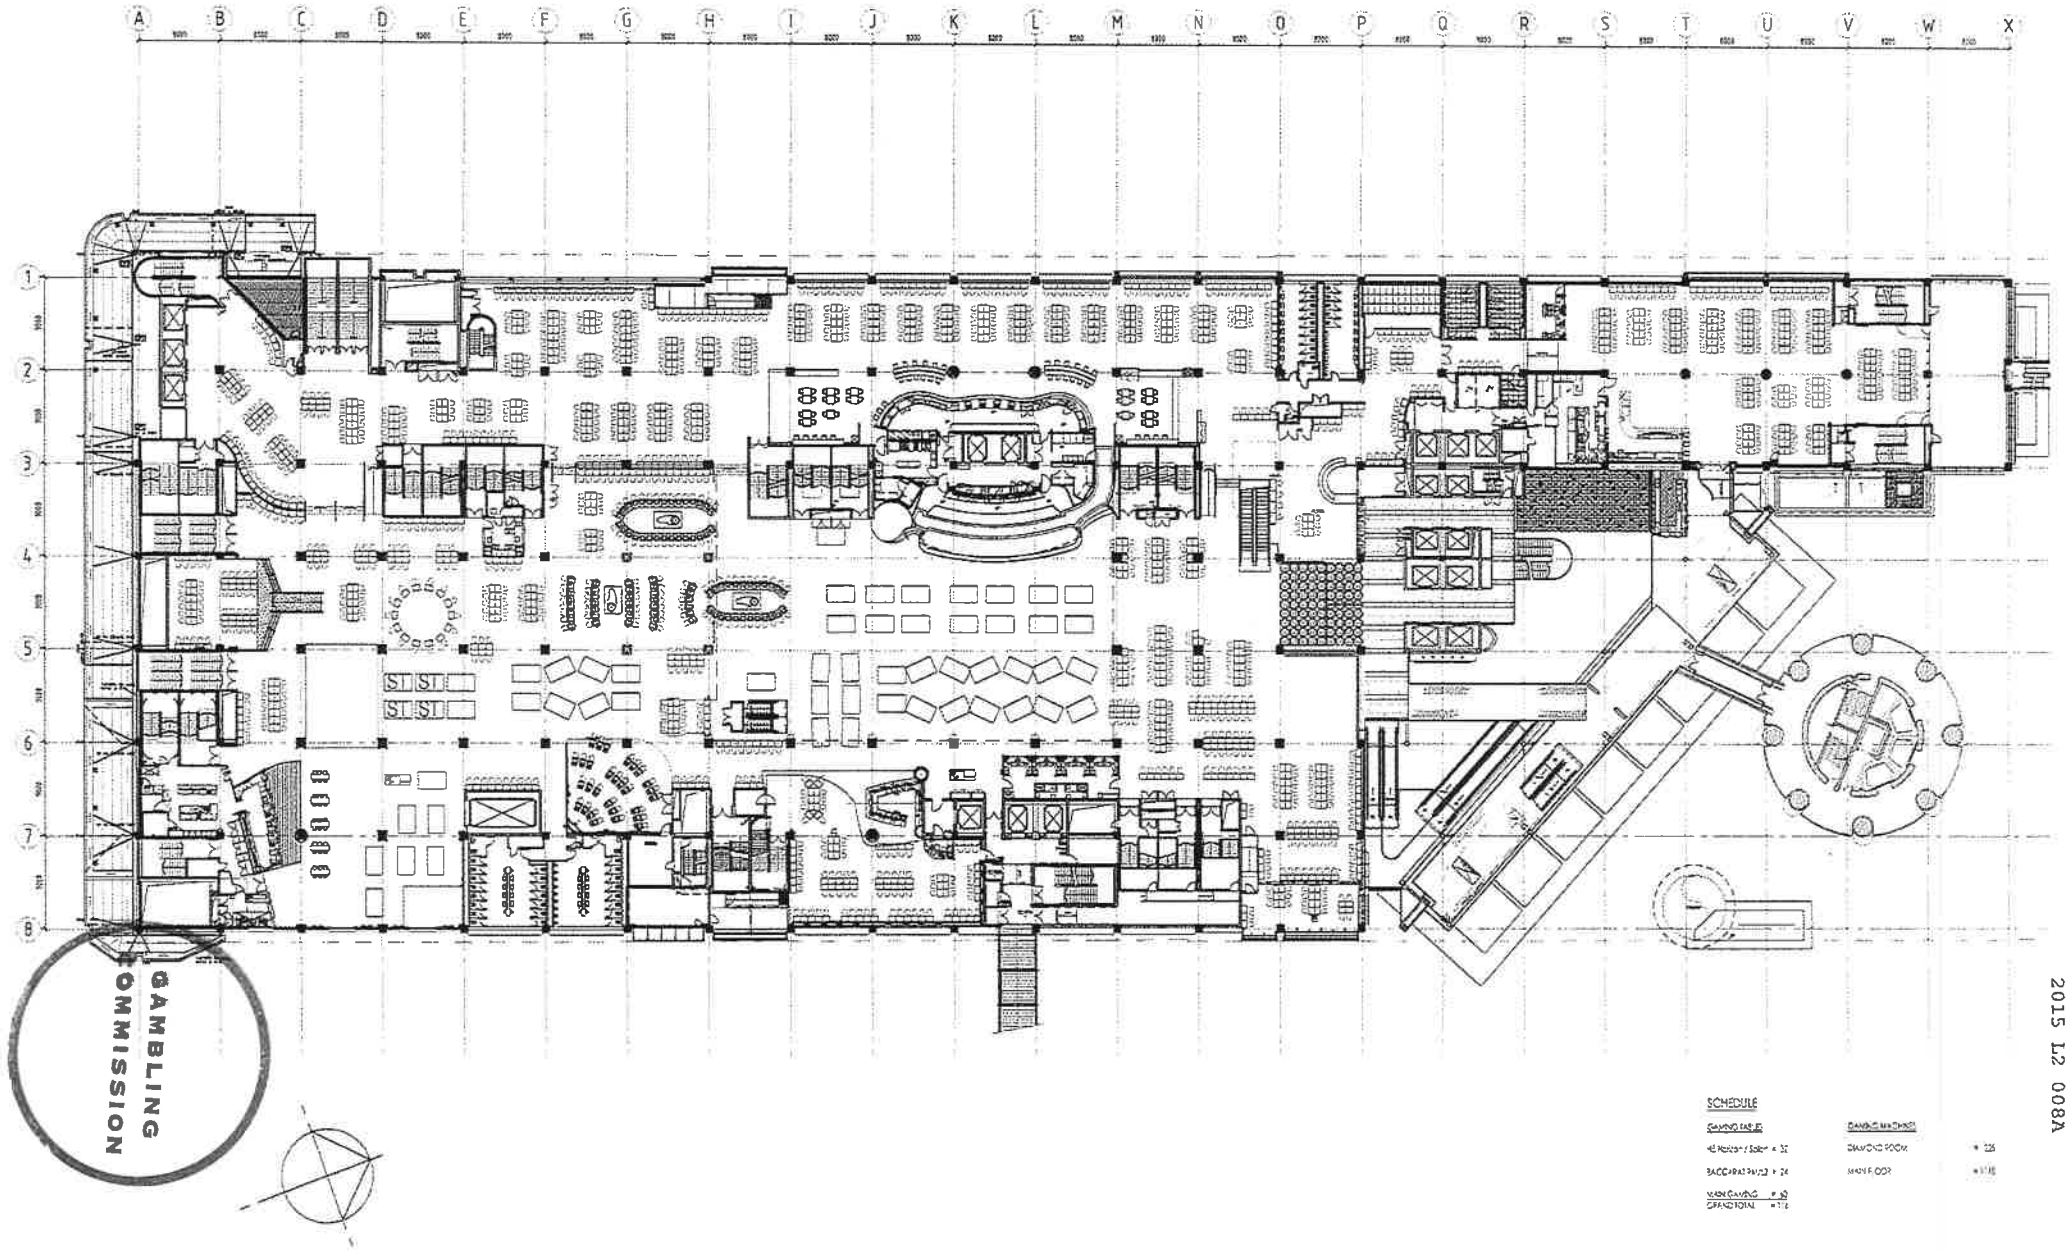

8. Once SCML is reliant on plan 2015 L3 007, plan 2015 L3 006 will cease to be valid.
