You don't need to like the latest hipster indie banjo band just because everyone's saying they do. It's actually okay to think they're shit, you're not alone. Let's explore when it became unacceptable to like meat and impossible to process gluten. And why isn't it okay to call people out when they're being assholes?

Fresh back from storming the Melbourne International Comedy Festival Urzila is one of NZ's top comedians and you are guaranteed a funny night out, that may be a little bit more than cheeky.

Since taking the stage in 2008 she has racked up an impressive array of awards including 'Best Female Comedian' at The NZ Comedy Guild Awards for 5 years running and the coveted TV3 PEOPLE'S CHOICE AWARD at the New Zealand International Comedy Festival 2 years in a row.
