

**UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF A NEW FLOOR PLAN
FOR THE HAMILTON CASINO**

Date of Decision:  December 2016

1. On 16 December 2016, SKYCITY Casino Management Limited ("SCML") applied, pursuant to conditions 11 and 12 of SCML's operator's licence for the Hamilton casino, for approval of a new floor plan, "December 2016".
2. Conditions 11 and 12 of SCML's operator's licence for the Hamilton casino provide as follows:
 11. The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines.
 12. The Licence Holder shall obtain the approval of the Commission for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for the consideration of the Commission. Any changes must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.
3. SCML submitted as follows:
 - (a) It wants to:
 - remove a bank of six electronic gaming machines ("EGMs") from the VIP Room (Diamond Lounge);
 - install one EGM to create a bank of four EGMs in the Diamond Lounge;
 - install one EGM to create a bank of three EGMs;
 - install one machine in pillar gap to create a bank of 15 EGMs;
 - install one EGM to create a bank of five EGMs; and
 - install two EGMs to create a bank of eight EGMs.
 - (b) At all times the number of EGMs and gaming tables will comply with licence conditions.
4. The proposal raised no issues of regulatory concern for the Commission. Accordingly plan December 2016 (**attached**) is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to conditions 11 and 12 of SCML's operator's licence for the Hamilton casino.

5. Once SCML is reliant on plan December 2016, plan March 2016 II will cease to be valid.

Graeme Reeves
Chief Gambling Commissioner
Gambling Commission

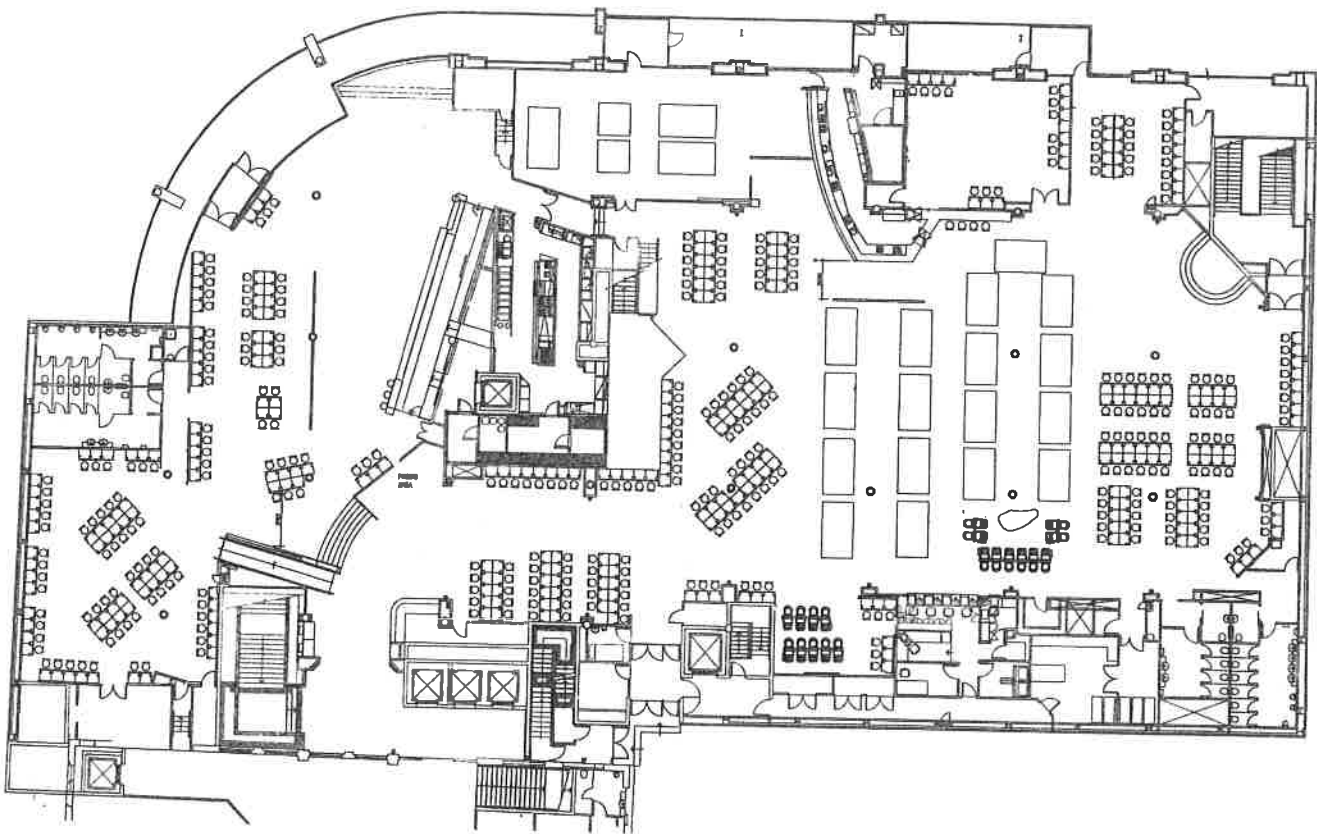

22nd December 2016

Nick Paterson
