

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF
A NEW FLOOR PLAN FOR THE AUCKLAND CASINO**

Date of Decision: 24 January 2017

1. On 18 January 2017, SKYCITY Casino Management Limited ("SCML") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of two new floor plans, 2017 L2 001 and 2017 L3 001.

2. Condition 11 provides as follows:

The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

3. SCML submitted as follows:

(a) On level 2 it wants to:

Sammy's

- remove a bank of 10 FATGs;
- reposition two gaming tables to fill the space left by the removal of the FATGs;
- redesignate the Substitute Table.

Western Cage

- remove six EGMs;
- install five FATGs in the same area.

Main Entry

- remove six EGMs;
- install eight FATGs in the same area.

Diamond Room

- remove four EGMs and reconfigure the remaining machines;
- install five FATGs;
- install two EGMs to create a bank of 11;
- install a bank of six EGMs.

(b) On level 3 it wants to:

- remove a bank of eight FATGs;
- Install 8 EGMs in the same area.

4. The proposal raises no issues of regulatory concern for the Commission. Accordingly plans 2017 L2 001 and 2017 L3 001 (**attached**) are approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 SCML's operator's licence for the Auckland casino.
5. Once SCML is reliant on plan 2017 L2 001, plan 2016 L2 010 will cease to be valid.
6. Once SCML is reliant on plan 2017 L3 001, plan 2016 L3 008 will cease to be valid.
