2. Condition 6 provides as follows:

6. Subject to the provisions of condition 7, the Licence Holder must obtain the approval of the Commission prior to:

(a) ...

(b) ...

(c) the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located.

The process by which the Licence Holder may obtain approval for construction or design changes to Levels 3 and 4 and the rooftop area of the Casino Venue, (paragraph (a) above) is set out in condition 7. The Commission will determine any application for approval under 6(b).
