

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF
A NEW FLOOR PLAN FOR THE AUCKLAND CASINO**

Date of Decision: 19 January 2018

1. On 17 January 2018, SKYCITY Casino Management Limited ("**SCML**") applied, pursuant to condition 11 of its operator's licence for the Auckland casino, for approval of a new floor plan, 2018 L2 001.

2. Condition 11 provides as follows:

The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

3. SCML submitted:

(a) It wants to make changes to the placement of gaming product on level 2 as follows:

- remove two fully automated table games ("**FATGs**") and reconfigure the current layout into a circular bank of eight;
- remove 12 FATGs and reconfigure the current layout into two banks of four;
- remove four FATGs and reconfigure the current layout into six banks of three; and
- remove four table game terminals and reconfigure the outer banks.

4. The proposal raises no issues of regulatory concern for the Commission. Accordingly plan 2018 L2 001 (**attached**) is approved by the Chief Gambling Commissioner and the Executive Director under delegated authority pursuant to condition 11 SCML's operator's licence for the Auckland casino.

5. Once SCML is reliant on plan 2018 L2 001 plan 2018 L2 008 will cease to be valid.
