**Date of Decision:** 3 April 2019

1. On 3 April 2019, Hamilton Casino Limited (“SHL”) applied, pursuant to condition 6 of its venue licence, for approval to display signage in the lifts and lift lobbies, carparks, in outlets, on both internal and external screens, and as a billboard on the side of the Hamilton casino.

2. Condition 6 provides as follows:

6. The Licence Holder must obtain the approval of the Commission prior to:

(a) ...

(b) ...

(c) the addition or alteration of signage relating to the casino business on the exterior of the casino venue or on or around the building within which it is located.

The Commission will determine any application for approval under 6(b). The Executive Director may approve the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located (paragraph (c) above) if he/she is satisfied the proposed changes will have no potentially adverse effects.
