

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION
BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF
A NEW FLOOR PLAN FOR THE AUCKLAND CASINO**

Date of Decision: 29 APRIL 2019

1. On 17 April 2019, SKYCITY Casino Management Limited (“SCML”) applied, pursuant to condition 11 of its operator’s licence for the Auckland casino, for approval of a new floor plan, 2019 L3 002.

2. Condition 11 provides as follows:

The Licence Holder shall operate in accordance with approved floor layouts showing the position of gaming tables and gaming machines. The Licence Holder shall obtain approval for new floor plans prior to relocating or installing tables or machines in positions not specified in approved floor layouts. When applying, the Licence Holder must submit fresh plans showing the floor layout for the Gambling Area and details of the proposed CCTV layout for consideration. Any change must comply with the Surveillance Standard. The Executive Director and a single Gambling Commissioner may approve the new floor plans if they are satisfied that the floor layout has no potentially adverse effects. If they are not so satisfied, the proposed floor plan must be referred to the Commission for a decision on approval.

3. SCML submitted:

- It is currently reliant on plan 2019 L3 001, but wants to transition to plan 2019 L3 002 if the Commission approves its proposed changes.
- The proposed changes are as follows:

Platinum Room

Removal of 2 x EGMs
Installation of 5 x EGMs

Baccarat Room

Installation of 5 x EGMs
Repositioning of 6 x SATGs
Removal of 2 Tables and the reconfiguration of the remaining Tables

- Plan 2019 L3 002 will replace 2019 L3 001.

4. The proposal raises no issues of regulatory concern for the Commission. Accordingly plan 2019 L3 002 (**attached**) is approved by the Chief Gambling Commissioner and the

Executive Director under delegated authority pursuant to condition 11 SCML's operator's licence for the Auckland casino.

- 5. Once SCAL is reliant on plan 2019 L3 002, plan 2019 L3 001 will cease to be valid.
