I support the application by Dunedin Casinos Limited to renew their Casino Venue Licence

**The reasons for my support/ opposition/ neutrality to the application are:**

I support the Dunedin Casino licence renewal based on my professional working experience with the organisation.

In my interactions with Dunedin Casino I have observed the CEO and the executive team to be dedicated to operating the organisation in a manner which seeks to ensure full compliance with the licence framework.

In discussions around organisation design or change, they have been consistently focussed on the protection of patrons and compliance with AML regulations, in conjunction with their strategic focus on efficiently operating a profitable business with a positive employee experience.

They are prepared to challenge the status quo and change as necessary, but conversations and outcomes always sought to safeguard both regulatory compliance and patrons from harm.

**Please select one of the following statements:**

I would not like to attend and be heard at the public hearing of the application.

If you would like to attend and be heard at the public hearing, please explain below: · your connection with the Casino; · why you are interested in the application; and · a brief outline of the information you could provide at the hearing to assist the Gambling Commission in making their decision on the application.
