I support the application by Dunedin Casinos Limited to renew their Casino Venue Licence

The reasons for my support/ opposition/ neutrality to the application are:

I submit in support of Grand Casino's application to renew its licence.

I am an ex-employee of Grand Casino (when it was known as Dunedin Casino) and continue to interact with Grand Casino on a supply basis. I have therefore experienced firsthand the benefits Grand Casino provides both its employees and the community as a whole.

Training and development systems are superb, providing excellent career opportunities and pathways for staff members. Grand Casino's training systems have an excellent reputation across industry. The strong compliance-based focus also sets employees up well for future job opportunities, both within and outside the Casino & Hospitality industries.

Community contribution is vast and significant. Whether it be via sponsorships or grants, the breadth of support across sectors is notable and continues to have a positive, tangible impact on helping grow Dunedin as a city.

Over the last 25 years Grand Casino has also helped drive and support domestic and international tourism for Dunedin. This has come in many forms, through directly hosting VIPs at Dunedin's many fantastic attractions, roadshows, and attendance at key trade shows alongside Dunedin's other tourism operators.

Grand Casino is absolutely integrated with the Dunedin community. I totally support the renewal of Grand Casino's licence.
