I support the application by Dunedin Casinos Limited to renew their Casino Venue Licence

The reasons for my support/ opposition/ neutrality to the application are:

I have been a member of the Grand Casino for 4 and a half years and am happy to write in support of the renewal of the Casino licence to operate.

In that period I have always been treated with the utmost courtesy and friendliness and the facilities provided have been top class. The staff have mainly been settled in the time of my membership and this clearly suggests it is a happy ship where members enjoy their workplace.

Refreshments and food always reach a good standard with wide variety. Service is maintained in a friendly helpful manner.

While I rarely attend the Casino in evening hours the Security aspects are clearly in safe hands. I have never witnessed behaviour where disciplinary action has been necessary, but nonetheless I am left with the impression that appropriate control is present if required.

Obviously there is a considerable number of regular patrons, and this leads to friendly interface.

All in all I believe Grand Casino provides a venue where people like to meet and enjoy the facilities. Clearly the business supports community undertakings, and can be rated a first class corporate citizen.

I would not like to attend and be heard at the public hearing of the application.

If you would like to attend and be heard at the public hearing, please explain below: · your connection with the Casino; · why you are interested in the application; and · a brief outline of the information you could provide at the hearing to assist the Gambling Commission in making their decision on the application.
