DECISION ON AN APPLICATION BY CHRISTCHURCH CASINOS LIMITED FOR APPROVAL OF A NEW GAME MIX ANNEX

Introduction

1. Christchurch Casinos Limited ("**CCL**") applied to the Commission, under condition 9 of its operator's licence, for approval of a new game mix Annex for the Christchurch casino.

Licence condition

2. The relevant licence condition is as follows:

CCL's operator's licence

9. The Licence Holder may operate on casino gaming tables the game types and game mixes specified in Annex A attached to this Licence. The Licence Holder shall obtain the prior approval of the Commission for any change to the game types and/or game mixes specified.

CCL's submissions

3. CCL submitted, in summary, as follows:
 - (a) It wants to add 20 new game mixes, DV-EO, to its game mix Annex. The new game mixes will offer an array of different game mix options, including the addition of Mini Baccarat to currently approved mixes that involve seven-box Baccarat and Rapid Roulette/Baccarat.
 - (b) The introduction of the proposed game mixes will not increase opportunities for casino gambling.

The Secretary's submissions

4. The Secretary submitted that CCL's proposal raised no issues of regulatory concern.

Analysis

5. CCL sought approval to introduce 20 new game mixes to the Christchurch casino. The Commission's approach when considering proposals for new game mixes is to compare what is proposed with the approved game mix that provides most opportunities and form a view, in the round, on whether it will increase opportunities for casino gambling. Game mix A is the approved game mix that provides the most opportunities for casino gambling at the Christchurch casino.
6. The Commission was satisfied, in the round, that the proposed new game mixes would not increase opportunities for casino gambling compared to game mix A. The Commission made this decision on a common sense basis, in the round, rather than by calculating opportunities based on tables of data or upon a formula.

Decision

7. The Commission approved new game mixes DV-EO, under condition 9 of CCL's operator's licence for Christchurch casino. The new Annex is **attached**.

Right of appeal

8. Pursuant to section 235 of the Act, a person affected by this decision may appeal that decision to the High Court. An appeal must be made within 15 working days of the date of notice of the Commission's decision, or any longer period that the High Court may allow.
