**DECISION ON AN APPLICATION BY SKYCITY CASINO MANAGEMENT LIMITED FOR
APPROVAL OF A NEW GAME MIX ANNEX FOR THE HAMILTON CASINO**

Introduction

1. SKYCITY Casino Management Limited ("SCML") applied to the Commission, under condition 9 of SCML's operator's licence for the Hamilton casino, for approval to introduce one new game mix, 21, to its game mix Annex.

Licence condition

2. The relevant licence condition is as follows:

SCML's operator's licence (Hamilton)

9. The Licence Holder may operate on casino gaming tables the game types and game mixes specified in Annex A attached to this Licence. The Licence Holder shall obtain the prior approval of the Commission for any change to the game types and/or game mixes specified.

Submissions by SCML

3. SCML submitted, in summary, that:
 - (a) It seeks approval to add one new game mix, game mix 21. The new game mix is a variation of previously approved game mix 16.

- (b) The new game mix provides for an additional Roulette game by reducing the number of Black Jack tables by one.
- (c) The new game mix will not increase opportunities for casino gambling when compared to the benchmark game mix for the Hamilton casino, game mix 1, as follows:

Game Mix	Player Spaces	Overall gambling opportunities
1	464	14,165
21	462	11,967

The Secretary's submissions

4. The Secretary had no regulatory concerns with the proposal.

Analysis

5. SCML is seeking approval to introduce one new game mix to the Hamilton casino. The Commission's approach when considering proposals for new game mixes is to compare what is proposed with the approved game mix that provides the most opportunities and form a view, in the round, on whether it will increase opportunities for casino gambling. Game Mix 1 is the approved game mix that provides the most opportunities for casino gambling at the Hamilton casino.
6. The Commission was satisfied, in the round, that the proposed new game mix would not increase opportunities for casino gambling compared to game mix 1. The Commission made this assessment on a common sense basis, in the round, rather than by calculating opportunities based on tables of data or upon a formula.

Decision of the Commission

7. The Commission approved game mix 21 under condition 9 of SCML's operator's licence for the Hamilton casino. The new Annex A is **attached**.

Right of appeal

8. Pursuant to section 235 of the Act, a person affected by this decision may appeal that decision to the High Court. An appeal must be made within 15 working days of the date of notice of the Commission's decision, or any longer period that the High Court may allow.
