DECISION ON APPLICATION BY SKYCITY CASINOS MANAGEMENT LIMITED FOR APPROVAL OF NEW GAME MIXES FOR THE WHARF CASINO

Introduction

1. SKYCITY Casinos Management Limited ("SCML") applied to the Commission, under condition 9 of SCML's operator's licence for the Wharf casino, for approval of two new game mixes, I and J.

Licence condition

2. The relevant licence condition is as follows:

SCML operator's licence – Wharf casino

9. The Licence Holder may operate on casino gaming tables the game types and game mixes specified in Annex A attached to this Licence. The Licence Holder shall obtain the prior approval of the Commission for any change to the game types and/or game mixes specified.

SCML's submissions

3. SCML submitted, in summary, as follows:
 - (a) It wants to introduce Lunar Poker to the Wharf casino by adding two new game mixes, I and J. The new game mixes are based upon existing game mixes F and G, with Lunar Poker replacing Caribbean Stud Poker.
 - (b) The proposed game mixes have fewer player spaces and opportunities than the regulatory benchmark, game mix A, as follows:

Game mix	Player spaces	Overall opportunities
A	126	4,226
I	110	2,869
J	110	3,100

The Secretary's submissions

4. The Secretary submitted that the proposed new game mixes will not increase opportunities for casino gambling.

Analysis

5. SCML presently has eight approved game mixes, A-H, and has sought approval to add two new game mixes, I and J. The Commission's approach with applications of this nature is to compare the proposal with the approved game mix which provides the most opportunities for casino gambling and form a view, in the round, on whether that proposal will increase opportunities for casino gambling.
6. Game mix A is the approved game mix that provides the most opportunities for casino gambling at the Wharf casino. The Commission compared proposed game mixes I and J with game mix A and was satisfied that, in the round, they would not increase opportunities for casino gambling.

Decision of the Commission

7. The Commission approved, under condition 9 of SCML's operator's licence for the Wharf casino the new game mix Annex (**attached**).
