Date of Notification of Decision: 16 September 2019

**DECISION ON AN APPLICATION BY SKYCITY CASINO MANAGEMENT LIMITED FOR APPROVAL OF A NEW GAME MIX ANNEX FOR THE AUCKLAND CASINO**

**Introduction**

1. SKYCITY Casino Management Limited ("**SCML**") applied to the Commission, under condition 9 of its operator's licence for the Auckland casino, for approval to revise Annex A. SCML wants to add a note to the Annex which will allow it to relocate, temporarily, gaming tables from VIP Salons on level 5 of the casino to the Grand Salons on level 7 of the Grand Hotel, during some construction and design changes.

**Licence condition**

2. The relevant licence condition is as follows:

**SCML's operator's licence (Auckland)**

9. The Licence Holder may operate on casino gaming tables the game types and game mix(es) specified by the Commission in Annex A attached to this Licence. As an alternative to Annex A, the Licence Holder may operate on casino gaming tables the game types and game mix(es) specified by the Commission in any additional annex approved by the Commission and attached to this Licence. The Licence Holder must give the Inspectorate prior notification before it commences operation under a different annex. The game types and game mixes specified in an annex can only be changed by the Commission.

### SCML's submissions

3. SCML submitted, in summary, as follows:
- (a) In decision GC14/19, the Commission approved a revision to Annex A which enabled it to deploy some of the 21 gaming tables that are approved for deployment in the area known as "Eight", to another part of the casino. Renovations and construction and design changes on levels 5 and 6, due to commence on or around 12 August 2019, are expected to have an adverse impact on revenues. The revision to Annex A allowed flexibility to mitigate some of this.
  - (b) It had initially thought that the work involving the VIP salons on level 5 could be managed with relatively little disruption to the business, by closing one salon at a time while renovations are undertaken. This would allow the remaining salons to continue to be used. However, it now appears that the renovations will require the closure of all salons at the same time on level 5. This will reduce the number of International Business tables available for play over the period of the renovations. This loss of capacity can be mitigated with a further revision to Annex A.
  - (c) It wants to deploy up to four of the tables from two of the salons on level 5 in two of the Grand Salons on level 7 of the Grand Hotel. It has drawn up floor plans to accommodate at least three additional tables in these areas, and it may increase this to four at a later stage. It will submit floor plans for Commission approval to reflect the temporary placement of tables, subject to the Commission's approval of a revision to the Annex.
  - (d) In terms of Annex A, salons 82 and 86 have their own game mixes (each having two tables) as do Grand Salons 8 and 18. It seeks the flexibility to operate the approved game mixes, or part thereof, from salons 82 and 86 in Grand Salons 8 and 18 while renovation work is undertaken. There would be no change to the overall game mix. It would continue to rely on the existing approved game mixes, and floor plans would be revised to reflect the temporary placement of tables in the Grand salons.
  - (e) The temporary nature of this arrangement, and the current uncertainty around timing, suggests that this proposal would be best managed by including an additional note (note 9) to the Annex, shown in mark-up as follows:

**Notes for the alternative game mixes:**

- 1. ...
- 2. ...
- 3. ...

4. ...
5. ...
6. ...
7. ...

8. To facilitate design and construction work in the area designated as Eight, the Licence Holder may deploy some of the 21 tables that are deployed in Eight to another gambling area subject to the Commission's prior approval of a floor plan and provided that:

- (i) the total tables operated across these two locations does not exceed 21; and
- (ii) the game mix is consistent with an approved table game mix in the area designated as Eight.

Note 8 will cease to be valid from 1 May 2020.

9. To facilitate design and construction work in the VIP Salon 82 Sth and VIP Salon 86 Sth on level 5 of the casino venue, the Licence Holder may deploy one or both tables from these respective locations to the gambling areas on level 7 of the Grand Hotel, known as Grand Horizon 8 and Grand Horizon 18 subject to the Commission's prior approval of a floor plan provided that:

- (i) The total tables operated across these four locations does not exceed 11; and
- (ii) Any tables redeployed from VIP 82 and VIP Salon 86 to the Grand Horizon Salons form part or all of a game mix that has been approved for VIP Salon 82 or VIP Salon 86.

Notes 8 and 9 will cease to be valid from 1 May 2020.

- (f) There will be no increase to casino gambling opportunities; it is simply proposing to spread existing approved game mixes for dedicated areas to other parts of the casino's Gambling Areas.

### **The Secretary's submissions**

4. The Secretary submitted that this application raises no issues as it relates to a temporary arrangement and is essentially the same as that approved by the Commission in decision GC14/19.

### **Analysis**

5. By decision GC14/19, the Commission provided SCML with an approval to relocate some gambling product while construction and design changes are taking place. SCML now seeks an additional approval to relocate gambling product from level 5 of the main casino to the VIP salons on level 7 of the Grand Hotel. Again, the approval sought is temporary and would conclude following the completion of planned construction and design changes.
6. SCML's proposal raises no issues of regulatory concern. SCML is not seeking to amend its game mixes so there are no issues in relation to sections 11 and 12 of the Act.

7. The Commission approved SCML's proposal to add a new note to Annex A, with minor edits.

#### **Decision**

8. The Commission approved Annex A, under condition 9 of SCML's operator's licence for the Auckland casino. Annex A is **attached**.

#### **Right of appeal**

9. Pursuant to section 235 of the Act, a person affected by this decision may appeal that decision to the High Court. An appeal must be made within 15 working days of the date of notice of the Commission's decision, or any longer period that the High Court may allow.
