

**DECISION UNDER DELEGATED AUTHORITY ON AN APPLICATION  
BY SKYCITY HAMILTON LIMITED FOR APPROVAL OF  
NEW SIGNAGE AT THE HAMILTON CASINO**

**Date of Decision:** 11 July 2019

1. On 11 July 2019, SKYCITY Hamilton Limited (“SHL”) applied, pursuant to condition 6 of its venue licence, for approval to display signage around the site, entry screens, external screens, internal screens, on the counter, on table talkers in the Taphouse, in the Atrium, and on staff carpark planter boxes at the Hamilton casino.

2. Condition 6 provides as follows:

6. The Licence Holder must obtain the approval of the Commission prior to:

(a) ...

(b) ...

(c) the addition or alteration of signage relating to the casino business on the exterior of the casino venue or on or around the building within which it is located.

The process by which the Licence Holder may obtain approval for construction or design changes to Levels B1 and 1 of the Casino Venue (6(a) above) is set out in condition 7. The Commission will determine any application for approval under 6(b). The Executive Director may approve the addition or alteration of signage relating to the casino business on the exterior of the Casino Venue or on or around the building within which it is located (paragraph (c) above) if he/she is satisfied the proposed changes will have no potentially adverse effects. If he/she is not so satisfied, the proposed changes must be referred to the Commission for a decision on approval.

3. The proposed signage will have no potentially adverse effects and is approved by the Executive Director under delegated authority pursuant to condition 6 of SHL’s venue licence. A copy of the signage is **attached**.
